

my mother said i never should monologue

****Why My Mother Said I Never Should Monologue: Lessons on Communication****

my mother said i never should monologue, and at first, I didn't quite understand what she meant. To me, speaking at length felt like a way to express myself fully, to share my thoughts and stories without interruption. But over time, I realized the wisdom behind her advice. Monologues, especially in everyday conversations, can create distance rather than connection. They can make people feel unheard or overwhelmed, even if unintentionally. This simple piece of guidance from my mother has shaped the way I communicate, helping me foster more meaningful and balanced interactions.

Understanding the Meaning Behind "My Mother Said I Never Should Monologue"

At its core, the advice to avoid monologuing is about the balance of conversation. A monologue is essentially a long, uninterrupted speech delivered by one person, often without much input from others. While this may be appropriate in certain settings—like speeches, performances, or presentations—in casual dialogue, it can come off as self-centered or dismissive of others' perspectives.

When my mother said I never should monologue, she was urging me to be mindful of the flow of conversation. Instead of dominating discussions, she encouraged me to listen actively, invite others to share, and create a space where everyone feels included. This advice is not just about speaking less but about communicating better.

Why Avoiding Monologues Matters in Everyday Life

Conversations are a two-way street. When one person monopolizes the dialogue, it can lead to misunderstandings, frustration, or even isolation. Here are some reasons why my mother said I never should monologue, and why it's essential to heed that advice:

- ****Fosters Better Relationships:**** Balanced conversations build trust and respect. When you listen as much as you speak, people feel valued.
- ****Enhances Understanding:**** Dialogue allows for exchange of ideas, clarification, and empathy.
- ****Encourages Engagement:**** Monologues can cause listeners to lose interest, whereas interactive talks keep everyone involved.

- ****Prevents Miscommunication:**** By allowing space for questions or feedback, you reduce the chance of assumptions or errors.

How to Avoid Monologuing: Practical Communication Tips

Learning to steer clear of monologues isn't about limiting your voice—it's about cultivating a richer, more dynamic conversation. Here are some techniques I've found useful in honoring my mother's advice:

1. Practice Active Listening

One of the most effective ways to prevent monologuing is to become a better listener. Active listening involves truly focusing on what the other person is saying without planning your response while they talk. It means:

- Nodding or using verbal affirmations like "I see" or "That makes sense."
- Asking clarifying questions.
- Reflecting back what you've heard to show understanding.

This approach naturally creates pauses where others can contribute, making the conversation more balanced.

2. Be Mindful of Time and Attention

Sometimes, it's easy to get carried away when sharing a story or explaining something important. To avoid overwhelming your listeners:

- Keep your points concise.
- Watch for non-verbal cues like shifting eyes, glances at the clock, or distracted body language.
- Invite others in by asking, "What do you think?" or "Have you experienced something similar?"

This not only respects your audience's attention span but also invites collaboration.

3. Use Questions to Engage Others

Questions are powerful tools to transform a monologue into a dialogue. When you ask open-ended questions, you open doors for others to share their thoughts and feelings. For example:

- Instead of saying, "I did this and that," try, "Have you ever encountered something like this?"
- Replace statements with invitations, like "What's your take on this issue?"

This technique ensures conversations remain interactive and inclusive.

The Role of Monologues in Different Contexts

While my mother said I never should monologue in everyday conversations, it's important to recognize that monologues do have their place. Understanding when and how to use them can make your communication more effective.

When Monologues Are Appropriate

- **Public Speaking:** Delivering speeches or presentations often requires extended talking to inform or persuade.
- **Storytelling:** Sharing a detailed narrative can sometimes require uninterrupted speaking to build suspense or clarity.
- **Theater and Performance:** Monologues are essential tools for actors to express inner thoughts or advance the plot.
- **Teaching or Lectures:** Educators may need to explain concepts at length before opening the floor for questions.

In these situations, monologues serve a clear purpose. The key is to be aware of your audience's needs and expectations.

Balancing Monologues with Dialogue

Even in settings where monologues are necessary, the best communicators find ways to engage their audience. This might look like:

- Pausing for questions or reactions.
- Using stories or examples that resonate personally.
- Inviting feedback after the talk.

By blending monologues with moments of interaction, you keep your listeners attentive and invested.

Personal Growth: How My Mother's Advice Changed My Communication Style

Reflecting on my mother's words, I realize that avoiding monologues has not

only improved my relationships but also helped me become more empathetic and thoughtful. Before, I might have dominated conversations, eager to share my experiences or opinions. Now, I consciously create space for others, listen deeply, and respond with curiosity rather than urgency.

This shift has led to richer discussions and a greater sense of connection. People appreciate when they feel heard, and I've noticed that conversations become more enjoyable and meaningful when they're a two-way exchange.

Tips for Embracing Balanced Communication

If you relate to the challenge of monologuing or want to improve your conversational skills, consider these pointers inspired by my mother's advice:

- **Pause Frequently:** After making a point, stop and give others a chance to react.
- **Monitor Your Speech Patterns:** Are you speaking too fast or too much? Slow down and be concise.
- **Invite Opinions:** Use phrases like "What are your thoughts?" or "I'd love to hear your perspective."
- **Practice Reflective Listening:** Repeat or paraphrase what others say to show engagement.
- **Be Comfortable with Silence:** Sometimes a pause encourages others to speak up.

The Broader Impact of Avoiding Monologues in Communication

In a world dominated by loud voices—whether in meetings, social media, or everyday chatter—the ability to listen and engage is increasingly valuable. When I remember that my mother said I never should monologue, I'm reminded to be a better communicator, not just a talker.

By fostering dialogue rather than monologues, we contribute to:

- **More inclusive conversations:** Everyone gets a chance to share their voice.
- **Improved teamwork and collaboration:** Ideas flow freely when people feel heard.
- **Greater emotional intelligence:** Listening helps us understand others' feelings and viewpoints.
- **Conflict resolution:** Balanced communication reduces misunderstandings and defensiveness.

Ultimately, the wisdom in my mother's simple instruction is a reminder that

good communication is about connection, not just expression.

Understanding when to speak at length and when to step back is a subtle but powerful skill. My mother said I never should monologue, and that advice continues to guide me toward conversations that are not only expressive but also engaging and empathetic. Whether in personal relationships, professional settings, or casual chats, this balance enriches the way we relate to one another.

Frequently Asked Questions

What is the main theme of the 'My Mother Said I Never Should' monologue?

The main theme of the monologue revolves around family relationships, particularly the struggles and expectations placed on women across different generations.

Who wrote 'My Mother Said I Never Should' and what is its significance?

'My Mother Said I Never Should' was written by Charlotte Keatley. It is significant for its exploration of women's roles and the impact of societal expectations on their lives.

How can I prepare effectively for performing a monologue from 'My Mother Said I Never Should'?

To prepare effectively, understand the character's background, emotions, and motivations. Practice delivering the lines with appropriate emotion and pacing, and consider the historical and social context of the play.

What are some common emotions portrayed in the 'My Mother Said I Never Should' monologue?

Common emotions include regret, frustration, love, disappointment, and hope, reflecting the complex relationships between mothers and daughters.

Is the 'My Mother Said I Never Should' monologue suitable for drama auditions?

Yes, the monologue is often chosen for drama auditions because it offers a range of emotions and depth, allowing actors to showcase their skills in

portraying complex, realistic characters.

Where can I find the full text or script for 'My Mother Said I Never Should' monologues?

The full script can be found in published play anthologies, libraries, or purchased from online retailers. Some educational websites and drama resources may also provide selected monologues.

My Mother Said I Never Should Monologue: An Analytical Perspective on Communication and Expression

my mother said i never should monologue. This seemingly simple piece of advice carries profound implications regarding communication styles, interpersonal dynamics, and the art of expression. While monologues have a longstanding tradition in literature, theater, and even everyday conversations, the cautionary note embedded in the phrase invites a deeper examination of when and how extended speech benefits or hinders effective communication.

In this article, we dissect the layers beneath the admonition against monologuing, exploring its relevance in modern discourse, psychological underpinnings, and practical applications. We aim to provide a balanced, investigative overview that incorporates linguistic research, social behavior analysis, and communication theory to shed light on why “my mother said i never should monologue” remains a pertinent piece of advice in many contexts.

The Role of Monologues in Communication

Monologues, by definition, involve one person speaking at length without interruption. Historically, they have been fundamental in storytelling—whether in Shakespearean plays, film, or public speeches. However, in everyday conversations, monologuing often translates to a one-sided dialogue where the speaker dominates, potentially alienating the listener.

The caution from “my mother said i never should monologue” reflects a social norm that prioritizes balanced exchanges over one-way communication. In social psychology, effective communication is often tied to reciprocity, active listening, and mutual engagement. When one party monopolizes the conversation, the dynamic shifts, risking misunderstandings or emotional disconnect.

Monologues in Performance vs. Everyday Life

In performance arts, monologues serve as powerful tools for character development and narrative exposition. Actors use monologues to reveal inner conflicts, motivations, and emotions, engaging audiences through carefully crafted speech. In contrast, in daily interactions, monologues can be perceived as self-centered or overwhelming.

A comparative analysis reveals:

- **Performance Monologues:** Intentional, structured, designed to captivate and inform.
- **Conversational Monologues:** Often spontaneous, may lack listener engagement or feedback.

Thus, the advice “my mother said i never should monologue” may underscore the importance of adapting communication style to context, balancing self-expression with attentiveness to others.

Psychological and Social Implications of Monologuing

From a psychological standpoint, monologuing can stem from various motivations: the need to be heard, anxiety, or dominance in social situations. Yet, excessive monologues may impede empathy and rapport-building. Research in interpersonal communication highlights that conversations with balanced turn-taking foster trust and understanding more effectively than monologues.

Moreover, social norms often discourage lengthy, uninterrupted speech in favor of dialogue. The advice “my mother said i never should monologue” aligns with this cultural expectation, emphasizing humility and awareness of others’ perspectives.

Pros and Cons of Monologuing

Understanding both sides provides insight into when monologuing might be beneficial or detrimental.

- **Pros:**

- Allows for deep exploration of ideas without interruption.
- Can demonstrate confidence and expertise.
- Useful in educational or persuasive contexts.

- **Cons:**

- Risk of losing listener interest or engagement.
- May come across as self-centered or domineering.
- Limits feedback and interaction, reducing mutual understanding.

This nuanced view supports the notion that “my mother said i never should monologue” serves as a reminder to balance speaking with listening.

Monologues and Digital Communication

In the digital age, the concept of monologuing extends beyond face-to-face conversations. Social media posts, blogs, podcasts, and video content can resemble monologues, where one voice reaches many listeners without immediate feedback.

While some creators thrive through monologic formats, digital communication also demands engagement through comments, replies, and interactions. The caution embedded in “my mother said i never should monologue” encourages content creators and communicators to foster dialogue rather than one-sided broadcasts.

Strategies to Avoid Monologuing

For those seeking to heed the advice of “my mother said i never should monologue,” practical strategies include:

1. **Practice active listening:** Encourage feedback and questions to create a two-way conversation.
2. **Be concise:** Focus on clarity and brevity to maintain audience attention.

3. **Read social cues:** Recognize when listeners are disengaged or overwhelmed.
4. **Encourage participation:** Use open-ended questions to invite dialogue.

These approaches foster effective communication, respecting both the speaker's need to express and the listener's need to be heard.

When Monologues Are Appropriate

Despite the caution, there are scenarios where monologues are not only appropriate but necessary. These include:

- **Public speaking:** Presentations, lectures, and speeches require uninterrupted delivery.
- **Therapeutic settings:** Individuals may need time to articulate thoughts without interruption.
- **Creative expression:** Writing, storytelling, and performance arts often rely on monologues to convey depth.

Recognizing the contexts in which monologues serve a constructive purpose helps balance the advice from "my mother said i never should monologue" with practical realities.

Impact on Personal Relationships

In intimate or personal relationships, monologuing can sometimes signal deeper issues such as emotional distancing or lack of mutual respect. Conversely, sharing extensive thoughts can also be a sign of trust and vulnerability. Navigating this fine line requires emotional intelligence and situational awareness.

The admonition "my mother said i never should monologue" may thus function as a heuristic, prompting reflection before dominating conversations and encouraging empathy.

In examining the multifaceted nature of monologues through the lens of this maternal advice, it becomes clear that communication is an art of balance. Whether in personal, professional, or digital settings, the challenge lies in expressing oneself fully without overshadowing others. The wisdom encapsulated in "my mother said i never should monologue" invites ongoing

dialogue about how we share our voices and listen to those around us.

my mother said i never should monologue: My Mother Said I Never Should GCSE

Student Edition Charlotte Keatley, 2015-12-10 Written specifically for GCSE students by academics in the field, the Methuen Drama GCSE Student Editions provide in-depth explanatory material alongside the play texts frequently studied at Key Stage 4. Whether for use in the classroom or independent study, these editions offer a fully comprehensive and lightly glossed play text with accompanying notes specifically directed towards readers of this age, which unravel essential topics and challenge all students to delve further into literary analysis. Charlotte Keatley's *My Mother Said I Never Should* grapples with social forces that threaten to split four generations of women apart. When Jackie, who is unmarried, gives away her baby to her mother, the women are united in keeping this family secret yet divided in their opinions of it. In addition to some on-page explanatory notes and the play text itself, this edition contains sub-headed analyses of themes, characters, context and dramatic devices, as well as background information on the playwright. The Methuen Drama GCSE Student Editions never lose sight of their readership, and offer students the confidence to engage with the material, explore their own interpretations, and improve their understanding of the works.

my mother said i never should monologue: *My Mother Said I Never Should* GCSE Student Guide Sophie Bush, 2015-12-10 Written specifically for GCSE students by academics in the field, the Methuen Drama GCSE Guides conveniently gather indispensable resources and tips for successful understanding and writing all in one place, preparing students to approach their exams with confidence. Key features include a critical commentary of the play with extensive, clearly labelled analyses on themes, characters and context. They take studying drama even further with sections on dramatic technique, critical reception, related works, fascinating behind-the-scenes interviews with playwrights, directors or actors, and a helpful glossary of dramatic terms. Charlotte Keatley's *My Mother Said I Never Should* grapples with social forces that threaten to split four generations of women apart. When Jackie, who is unmarried, gives away her baby to her mother, the women are united in keeping this family secret yet divided in their opinions of it. Closely following the requirements of GCSE English Literature assessment objectives, these studies include expert advice on how to write about modern drama. With featured activities for group study and independent work, they are versatile and valuable to students and teachers alike.

my mother said i never should monologue: *My Mother Said I Never Should* Charlotte Keatley, 2016-06-22 I don't know if you'll ever love me as much as I love you, but one day you'll understand why I've done this to you. Doris, born illegitimate in 1900, exchanges her budding teaching career for marriage and motherhood. When the war is over, her daughter Margaret marries an American and has Jackie, who becomes an archetypal 60s rebel. When Jackie can't face being a single mother, it is decided that baby Rosie will be brought up as Margaret's own. That's the plan anyway . . . Charlotte Keatley's award-winning play is a moving exploration of the relationships between mothers and daughters, and the consequences of breaking the most sacred taboo of motherhood. *My Mother Said I Never Should* is about the choices we make which determine the

course of our lives and how it is never too late to change. This edition was published to coincide with the revival of the play at the St James Theatre, London, in 2016, starring Maureen Lipman and Katie Brayben.

my mother said i never should monologue: Feminist Theatre Practice: A Handbook Elaine Aston, 2005-07-05 Feminist Theatre Practice: A Handbook is a helpful, practical guide to theatre-making which explores the different ways of representing gender. my mother said i never should monologue: 125 Original Audition Monologues Sandy Asher, Kent R. Brown, Joseph Robinette, 2003 Audition Monologues

my mother said i never should monologue: Dramatic Monologue Glennis Byron, 2014-05-01 The dramatic monologue is traditionally associated with Victorian poets such as Robert Browning and Alfred Tennyson, and is generally considered to have disappeared with the onset of modernism in the twentieth century. Glennis Byron unravels its history and argues that, contrary to belief, the monologue remains popular to this day. This far-reaching and neatly structured volume: * explores the origins of the monologue and presents a history of definitions of the term * considers the monologue as a form of social critique * explores issues at play in our understanding of the genre, such as subjectivity, gender and politics * traces the development of the genre through to the present day. Taking as example the increasingly politicized nature of contemporary poetry, the author clearly and succinctly presents an account of the monologue's growing popularity over the past twenty years.

my mother said i never should monologue: Shooting My Life's Script Paula Pimenta, 2013-08-08 Estefania's life is turned upside-down when she gets the chance to go abroad for a year on a student exchange program. The revealing instant messaging, phone calls and constant note passing during class now have a new subject: Fani's impending trip to the UK. The best scenes of Fani's life are yet to come... You'll be sure to enjoy this fun and totally awesome book by best-selling brazilian author, Paula Pimenta.

my mother said i never should monologue: Contemporary Chicana Literature: (Re)Writing the Maternal Script Cristina Herrera, 2014-03-28 Despite the growing literary scholarship on Chicana writers, few, if any, studies have exhaustively explored themes of motherhood, maternity, and mother-daughter relationships in their novels. When discussions of motherhood and mother-daughter relationships do occur in literary scholarship, they tend to mostly be a backdrop to a larger conversation on themes such as identity, space, and sexuality, for example. Mother-daughter relationships have been ignored in much literary criticism, but this book reveals that maternal relationships are crucial to the study of Chicana literature; more precisely, examining maternal relationships provides insight to Chicana writers' rejection of intersecting power structures that otherwise silence Chicanas and women of color. This book advances the field of Chicana literary

scholarship through a discussion of Chicana writers' efforts to re-write the script of maternity outside of existing discourses that situate Chicana mothers as silent and passive and the subsequent mother-daughter relationship as a source of tension and angst. Chicana writers are actively engaged in the process of re-writing motherhood that resists the image of the static, disempowered Chicana mother; on the other hand, these same writers engage in broad representations of Chicana mother-daughter relationships that are not merely a source of conflict but also a means in which both mothers and daughters may achieve subjectivity. While some of the texts studied do present often conflicted relationships between mothers and their daughters, the novels do not comfortably accept this script as the rule; rather, the writers included in this study are highly invested in re-writing Chicana motherhood as a source of empowerment even as their works present strained maternal relationships. Chicana writers have challenged the pervasiveness of the problematic virgin/whore binary which has been the motif on which Chicana womanhood/motherhood has been defined, and they resist the construction of maternity on such narrow terms. Many of the novels included in this study actively foreground a conscious resistance to the limiting binaries of motherhood symbolized in the virgin/whore split. The writers critically call for a rethinking of motherhood beyond this scope as a means to explore the empowering possibilities of maternal relationships. This book is an important contribution to the fields of Chicana/Latina and American literary scholarship.

my mother said i never should monologue: Monologues from The Last Frontier Theatre Conference Dawson Moore, Laura Gardner, 2013-04-01 The book contains 64 monologues designed specifically for use in the audition process. These monologues were derived from the Last Frontier Theatre Conference, one of the longest running theater conferences of its kind, held every year in Valdez, Alaska from 2009 to 2012. The monologues are honed for freshness, length, and effect and are designed for actors who are taking an audition/monologue workshop. Also included are some tips on creating monologues by Last Frontier Director Dawson Moore and for acting with the monologues by actor and mentor, Laura Gardner, both of whom selected and edited the monologues. The monologues are categorized by gender and sorted by age of the speaker.

my mother said i never should monologue: *The Ultimate Scene and Monologue Sourcebook, Updated and Expanded Edition* Ed Hooks, 2010-05-19 All actors and acting teachers need *The Ultimate Scene and Monologue Sourcebook*, the invaluable guide to finding just the right piece for every audition. The unique format of the book is ideal for acting teachers who want their students to understand each monologue in context. This remarkable book describes the characters, action, and mood for more than 1,000 scenes in over 300 plays. Using these guidelines, the actor can quickly pinpoint the perfect monologue, then find the text in the Samuel French or Dramatist Play Service edition of the play. Newly revised and expanded, the book includes the author's own assessment of each monologue.

my mother said i never should monologue: *Flipping the Script* Paula Chase, 2012-03-01 It's junior year at Del Rio Bay High, and from near and far, the guys are taking center stage. . . Now that Mina's boyfriend Brian is off to Duke University, life in Del Rio Bay is lonely. And Brian's busy schedule as a Duke baller isn't helping. As the season heats up and the phone calls get fewer, Mina's insecurity increases--and so does Brian's impatience with it. But he's not the only guy in the clique dealing with craziness. Michael's passion for fashion has led to a chance to attend a special creative arts program in D.C. He knows he should jump on it, but leaving home is harder than he thought. He turns to his dancer friend Rob for support, but Rob's presence around the clique triggers star athlete JZ's feelings of homophobia. As JZ's discomfort simmers, his feelings get the best of him when he finds himself seriously attracted to Jacinta--and discovers she's on a different page. With relationships in the balance and friendships at risk, *Flipping the Script* challenges the guys to step up when the stakes are high.

my mother said i never should monologue: *Prostitution Divine. Short stories, movie script and essay* Михаил Армалинский, 2022-05-15 В книгу включены переводы на английский язык произведений Михаила Армалинского. В неё вошли рассказы, киносценарий и эссе

“Спасительница”. Большинство оригиналов было опубликовано в книге “Чтоб знали!”, изданной в московском издательстве Ладомир в 2002 году. Mikhail Armalinsky is the leader of modern Russian erotica. He resides in the US since 1977. He is the publisher of Pushkin's Secret Journal 1836-1837 translated in 25 countries and the author of over 20 books of prose and poetry. The main theme in Armalinsky's work is the comprehensive study of human sexual relationships. Working outside of any literary school, following no one and producing no followers, Mikhail Armalinsky has tirelessly, over the course of half a century, promoted in the consciousness of his readers his themes, views, and convictions, which for him have the force of commandments. The main idea of the essay is that the legalization of prostitution must be based on a return of its divine, sacred character, so that prostitution will be considered the most honorable profession, the one closest to God, the holiest. Most of works in this book are translated from Armalinsky's collection of works in Russian Чтоб знали! available at litres.ru

my mother said i never should monologue: Best Contemporary Monologues for Men 18-35 Lawrence Harbison, 2014-11-01 (Applause Acting Series). Lawrence Harbison has selected 100 terrific monologues for men from contemporary plays, all by characters between the ages of 18 and 35 perfect for auditions or class. There are comic monologues (laughs) and dramatic monologues (no laughs). Most have a compelling present-tense action for actors to perform. A few are story monologues and they're great stories. Actors will find pieces by star playwrights such as Don Nigro, Itamar Moses, Stephen Adly Guirgis, and Terence McNally; by exciting up-and-comers such as Nicole Pandolfo, Peter Sinn Nachtrieb, Crystal Skillman, Greg Kalleres, Reina Hardy, and J. Thalia Cunningham; and information on getting the complete text of each play. This is a must-have resource in the arsenal of every aspiring actor hoping to knock 'em dead with his contemporary piece after bowling over teachers and casting directors alike with a classical excerpt.

my mother said i never should monologue: Going Nowhere Faster Sean Beaudoin, 2008-09-01 Everyone in town thought Stan was going to be something and go somewhere, but they're starting to realize that when this boy genius can't even get out of Happy Video, he's going nowhere, faster. But when things look like they're only getting worse, Stan is forced to decide what he wants to do with his life. Suddenly, he may be getting somewhere after all. With sarcastic, dry wit reminiscent of David Sedaris and Tom Perrotta, this debut YA novel delivers with laugh-out-loud hilarity and a lot of heart.

my mother said i never should monologue: The Theatre Guide Trevor R. Griffiths, 2014-07-04 With over 500 entries on the most important plays and playwrights performed today, The Theatre Guide provides an authoritative A - Z of the contemporary theatre scene. From Aristophanes to Mark Ravenhill, The Alchemist to The Talking Cure, the Guide is both biographically detailed and critically current, while an extensive cross-referencing system allows for wider perspectives and new discoveries. Stimulating, observant and informative, The Theatre Guide is an essential companion and reference tool for anyone with an active interest in drama.

my mother said i never should monologue: Breathtakingly Original Series Book Four: I Shave My Toes: Monologues for the Ethnically Diverse Female Michele M. Miller, 2016-10-06 Book Four in a Four-Part Series of unique monologues and scenes. This book contains monologues written specifically for the ethnically diverse female.

my mother said i never should monologue: Shooting Script Elsa Klensch, 2025-09-23 Fresh from solving the murder of a fashion magnate's wife in *Live at 10:00*, Dead at 10:15, TV newsmagazine producer Sonya Iverson returns in *Shooting Script*, another luxurious thriller from Elsa Klensch. Once again working on a puff piece, this time about the opening of a new luxury spa headed by the third and youngest wife of Errol Swanson, former head of Sonya's own network, Sonya decides to put her frustration to good use. She's an investigative reporter—so she'll investigate. And there's plenty of dirt to dig. For one thing, the head honchos at the network all seem scared of Errol—even Donna Fuller, Sonya's boss and a crusading journalist, treads softly where Errol is concerned. Rumors claim that Donna and Errol had an affair, and Errol's made a heavy-handed pass at Sonya. Then there are the wives. Wife #1, Joan, is eating herself to death and

trying desperately to wrest control of her family toy business away from her supposedly retired ex-husband. Craig, her son with Errol, disappeared a decade ago and is presumed dead; his twin sister, Christy, is mentally and emotionally unstable and has been the family scapegoat for years. Wife #2, Margot, is a successful fashion designer who still lives in fear of Errol's notoriously violent temper. He's got his hooks into her business too, and the loans are due. Margot brings a gun to the spa, to protect herself and her charming son, Tomas. Tomas, a budding fashion model, wants his father to accept him, but his homosexuality disgusts Errol, and the two men have never had a civil conversation. Wife #3, Lara, seems to be full of love and human kindness. She's engineered a family reunion along with the spa opening in an attempt to reconcile her husband with his wives and children before her own baby is born. Learning of Errol's past cruelties, Lara does her best to soften her hard-headed husband, but his unusual sexual demands have begun to wear on her soul. Lara has secrets of her own, a dark past that may soon be exposed. Rounding out the family gathering are Errol's Aunt Tracey, who knows where the bodies are buried—perhaps literally—and Sonya's fellow reporter Frank O'Neill, who has a deeply personal connection to Lara and who is preparing a book-length expose of Errol Swanson. When Errol is found, shot to death while tied to the bed he and Lara shared, the morning after a family dinner marked by vituperation and violence, local police have an abundance of suspects. But Sonya is already several steps ahead of the official investigation. She's determined to find out who killed the mogul . . . and get her scoop on the air. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

my mother said i never should monologue: Multicultural and International Approaches in Social Work Practice Kui-Hee Song, 2016-09-26 Building upon the author's integrative and interactive ideas about human services fields, this book presents an intercultural perspective of social work education, practice, and research with culturally-linguistically-relationally underprivileged minority groups in the local and global communities, to show how the synthesis of theories from postmodern social constructionism, multiculturalism, and international organization empowerment can be applied when working with Asian immigrant families. This book also demonstrates how a mutual development model of intercultural organizational-institutional collaborative partnership can be relevant when providing an International Experience for Human Services Abroad Course. Author Kui-Hee Song uses in-depth case studies in the culturally linguistic and diverse context of human services fields and in the cross-nationally interactive context of host country human services organizations and home university academic administrations. Kui-Hee Song examines the clinical change process of a Korean immigrant family that is working with Child Protective Services, seeking to resolve physical child abuse problems and generate new meanings in parent-child relationships through therapeutic conversational dialogue. As the new to this edition, a case of Ming's story is especially, the cultural differences between the Chinese immigrant client family and American medical setting where practitioner's personal beliefs were challenged. Kui-Hee Song critically examines specific steps to take in establishing intercultural service learning field placements for an experiential learning education abroad course. Song explores the significant leadership roles and responsibilities of host country human services organizations and home university administrators involved with making a new international human services experience abroad program planning, implementation, and evaluation. Specially, Song provides a profound understanding of the empowerment process of a Korean family: a conversational partnership in dialogue that invites the clients to speak their loud-hitherto unheard-voices and enhance a personal perception of competency for action and hope. Song also gives a thoughtful comprehension of a mutual empowerment process of cross-national collaborative partners: differential responsibilities but mutually shared power, vision, and goals in working relationship that allows for each collaborator to stand together in unity of transactional and transformational leadership behaviors and strengthens the sustainability of the effective international human services experience abroad program.

my mother said i never should monologue: Writing 45-Minute One-Act Plays, Skits,

Monologues, & Animation Scripts for Drama Workshops Anne Hart, 2005-03 Here's a guide book on how to write 45-minute one-act plays, skits, and monologues for all ages. Step-by-step strategies and sample play, monologue, and animation script offer easy-to-understand solutions for drama workshop leaders, high-school and university drama directors, teachers, students, parents, coaches, playwrights, scriptwriters, novelists, storytellers, camp counselors, actors, lifelong learning instructors, biographers, facilitators, personal historians, and senior center activity directors. Guide young people in an intergenerational experience of interviewing and writing skits, plays, and monologues based on the significant events and experiences from lives of people. Learn to write skits, plays and monologues based on historical events and personalities. What you'll get out of this book and the exercises of writing one-act plays for teenage actors and audiences of all-ages audience, are improved skills in adapting all types of social issues, current events, or life experience to 45-minute one-act plays, skits, or monologues for teenage or older adult drama workshops. How do you write plays and skits from life stories, current events, social issues, or history? Are you looking for the appropriate 45-minute, one-act play for high-school students or other teenagers, for community center drama workshops, or even for home school projects or for events and celebrations? Are you seeking one-act plays for older adults drama workshops? Use personal or biographical experiences as examples when you write your skit or play. If you want a really original play, write, revise, and adapt your own plays, skits, and monologues. Here's how to do it.
