

criticism of death of a salesman

Criticism of Death of a Salesman: Exploring the Complexities of Arthur Miller's Classic

criticism of death of a salesman often revolves around its portrayal of the American Dream, family dynamics, and the tragic flaws of its protagonist, Willy Loman. Since its debut in 1949, Arthur Miller's play has been a cornerstone of American theater, provoking deep reflection and diverse interpretations. But like any enduring work, it has faced its share of critical scrutiny, ranging from its thematic approach to character development and narrative style. In this article, we'll delve into the various facets of criticism surrounding *Death of a Salesman*, uncovering the layers that have made it both celebrated and questioned over the decades.

Understanding the Core Themes Through Criticism of Death of a Salesman

One of the most common focal points in criticism of *Death of a Salesman* is its exploration of the American Dream. The play paints a poignant picture of the pursuit of success and the harsh realities that often accompany it. Critics have debated whether Miller's depiction is too cynical or, conversely, not critical enough of the societal pressures that define success.

The American Dream: Idealism vs. Reality

Willy Loman's relentless chase of material success and social validation embodies the idealized American Dream. However, the criticism lies in the ambiguity of Miller's message—does the play suggest the dream is inherently flawed, or does it criticize the individual's failure to adapt? Some scholars argue that the play oversimplifies this complex issue by focusing primarily on personal tragedy without deeply interrogating the broader economic and cultural systems that impact Willy's downfall.

Family and Dysfunction: A Mirror to Post-War America

Another angle in criticism of *Death of a Salesman* concerns its portrayal of family relationships, particularly between Willy and his sons, Biff and Happy. The play exposes the tensions and misunderstandings that arise from generational expectations. Critics have praised Miller for his realistic depiction of familial conflict, but some suggest that the characters occasionally lack depth, serving more as symbols of failure and hope rather than fully fleshed-out individuals.

Characterization and Psychological Complexity

The depth of Willy Loman's character is often a central topic in criticism of *Death of a Salesman*. His psychological complexity—marked by delusions, pride, and desperation—makes him both

relatable and tragic. However, some reviewers have pointed out that the play's reliance on Willy's internal struggles can overshadow other characters, leaving them underdeveloped.

Willy Loman as a Tragic Hero

In literary criticism, Willy is frequently discussed as a modern tragic hero, a man undone by his flaws and societal pressures. Yet, there is debate about whether he fully fits this archetype. Unlike classical heroes who possess nobility, Willy is an ordinary man, which challenges traditional notions of tragedy but also opens discussions about the accessibility of tragedy in modern storytelling.

Supporting Characters: Symbols or Fully Realized People?

Criticism of **Death of a Salesman** often points to the supporting cast—Linda, Biff, and Happy—as sometimes feeling more like embodiments of ideas rather than complex individuals. For instance, Linda's role as the loyal, supportive wife is crucial, but some argue she lacks agency and depth beyond her function in Willy's life. Similarly, Biff's conflict between personal truth and societal expectation is compelling, yet some analyses suggest his character could be further explored to enrich the narrative.

Narrative Structure and Dramatic Techniques

Miller's use of non-linear storytelling and flashbacks is frequently praised for adding psychological depth, but it has also attracted criticism for potentially confusing audiences or disrupting the narrative flow.

Flashbacks and Memory: Enhancing or Obscuring?

The shifting timeline in **Death of a Salesman** reflects Willy's fragmented mental state, allowing the audience to experience his memories and regrets firsthand. While many critics appreciate this innovative technique, some feel it can be disorienting, making it harder to follow the plot or fully engage with the story's progression.

Symbolism and Motifs: Effective or Overused?

The play's heavy use of symbolism—such as seeds, the rubber hose, and the contrast between urban and pastoral life—has been both applauded and critiqued. While symbols enrich the narrative, some critics argue that at times the play leans too heavily on them, which might detract from character-driven storytelling.

Cultural and Historical Context in Criticism of Death of a Salesman

To fully appreciate the criticism of *Death of a Salesman*, it's essential to consider its post-World War II American context. The play reflects anxieties about economic instability, shifting social values, and the pressures of conforming to capitalist ideals.

Reflection of Post-War America's Socioeconomic Pressures

Critics often highlight how the play captures the fragile nature of middle-class security and the fear of obsolescence in a rapidly changing society. Some interpretations suggest Miller critiques the capitalist system for fostering unrealistic expectations and alienation, while others feel the play primarily exposes individual failings without sufficiently addressing systemic issues.

Gender Roles and Expectations

Another critique focuses on the gender dynamics within the play. Linda's submissive role and the emphasis on male success and identity have led some modern critics to analyze the work through a feminist lens. They question whether the play reinforces traditional gender stereotypes or subtly critiques them through its portrayal of family tensions and emotional repression.

Why the Criticism Matters Today

Even decades after its first performance, criticism of *Death of a Salesman* remains relevant because the themes it tackles—identity, societal pressure, success, and failure—are universal and enduring. The play invites ongoing dialogue about the cost of chasing dreams, the nature of personal and societal expectations, and the complexities of human relationships.

Applying Lessons from Criticism in Modern Contexts

For students, theater enthusiasts, and social commentators, the critiques of *Death of a Salesman* provide valuable insights into how literature can mirror societal issues. Understanding these criticisms encourages deeper engagement with the text and fosters critical thinking about the narratives we consume and the values they promote.

Tips for Engaging with the Play Through Its Criticism

- Approach the play with an open mind, recognizing both its historical context and its timeless themes.

- Consider multiple critical perspectives to gain a more nuanced understanding.
- Reflect on how the characters' struggles resonate with contemporary issues around work, family, and identity.
- Use criticism as a tool to challenge your own assumptions about success and fulfillment.

By exploring the varied criticism of *'Death of a Salesman'*, readers and viewers can appreciate not only Miller's dramatic craft but also the enduring questions he raises about human nature and society. This ongoing conversation ensures the play's place as a vital work in American literature and drama.

Frequently Asked Questions

What are the main criticisms of Arthur Miller's 'Death of a Salesman' regarding its portrayal of the American Dream?

Critics argue that 'Death of a Salesman' presents a pessimistic and somewhat narrow view of the American Dream, portraying it as unattainable and destructive. Some feel that the play oversimplifies complex social and economic issues by focusing heavily on individual failure rather than systemic problems.

How do critics view the character development in 'Death of a Salesman'?

Some critics believe that the characters in 'Death of a Salesman,' particularly Willy Loman, are portrayed with deep psychological complexity, while others argue that certain characters, like Biff and Happy, lack sufficient depth and development, serving more as symbolic figures than fully realized individuals.

What criticisms exist about the play's structure and use of flashbacks?

While many praise the non-linear structure and use of flashbacks for reflecting Willy Loman's fractured mind, some critics find the frequent shifts in time confusing and disruptive to the narrative flow, potentially hindering audience engagement.

Does 'Death of a Salesman' face criticism for its gender roles and portrayal of women?

Yes, some critics point out that 'Death of a Salesman' reflects dated gender roles, with female characters like Linda Loman portrayed primarily as supportive and passive figures, lacking agency and complexity compared to their male counterparts.

How is the play's ending received by critics?

The ending of 'Death of a Salesman' is seen by many as powerful and tragic, effectively highlighting the consequences of Willy's delusions. However, some critics feel it is overly melodramatic or

sentimental, potentially undermining the play's critical stance on societal issues.

Criticism of Death of a Salesman: An Analytical Review

criticism of death of a salesman has long been a subject of intense scholarly debate and theatrical discussion. Arthur Miller's seminal play, first staged in 1949, remains a cornerstone of American drama, yet it has attracted both acclaim and critique over the decades. The play's portrayal of Willy Loman's tragic life and the American Dream's elusive promise invites diverse interpretations, raising questions about its thematic depth, character development, and socio-cultural relevance. This article undertakes a comprehensive examination of the criticism surrounding Death of a Salesman, exploring its literary merits, perceived shortcomings, and the broader implications of Miller's work within the American literary canon.

In-depth Analysis of Criticism of Death of a Salesman

Death of a Salesman is often celebrated for its poignant exploration of failure, identity, and societal expectations. However, criticism of Death of a Salesman reveals that not all reviewers and scholars uniformly praise Miller's approach. Some critiques focus on the play's structure and narrative style, while others address its thematic choices and character portrayals. Investigating these concerns provides a balanced understanding of the play's place in American drama.

Structural and Stylistic Critiques

One of the primary areas of criticism involves Miller's use of non-linear storytelling and expressionistic elements. The play's frequent flashbacks and shifts between reality and memory have been viewed by some as confusing or overly theatrical. Critics argue that this narrative technique can disrupt the audience's engagement or dilute the emotional impact by blurring the distinction between past and present.

Furthermore, the reliance on symbolism—such as the recurring motif of seeds and the emphasis on the American Dream—has been interpreted by some detractors as heavy-handed. The symbolism, while rich in meaning, occasionally risks overshadowing the plot, leading to accusations of didacticism or a lack of subtlety in conveying the play's messages.

Thematic and Ideological Criticism

The thematic core of Death of a Salesman—the pursuit and critique of the American Dream—has invited substantial debate. While many applaud the play for exposing the myth of meritocratic success, some critics contend that Miller presents a somewhat narrow or pessimistic view of American capitalism. They argue that the play's focus on individual failure neglects broader systemic issues, thereby placing undue responsibility on Willy Loman's personal shortcomings.

Additionally, the portrayal of gender roles and family dynamics has drawn scrutiny. Linda Loman, Willy's wife, is often criticized for embodying a passive and enabling figure, which some interpret as reinforcing traditional gender stereotypes. Similarly, the male characters' intense focus on professional success and external validation has been seen as limiting the exploration of alternative masculine identities or emotional complexity.

Characterization and Psychological Depth

Criticism of *Death of a Salesman* frequently centers on the psychological realism of its characters. Willy Loman's tragic flaws and delusions are integral to the narrative, yet some analysts argue that his characterization borders on caricature, depicting him as a one-dimensional victim of his dreams. This perspective suggests that Miller's portrayal lacks nuance in addressing the complexities of mental health and personal agency.

On the other hand, the sons Biff and Happy are sometimes viewed as underdeveloped. Biff's rebellious nature and existential struggles receive significant attention, but Happy's character is often perceived as superficial and less compelling. Critics point out that this imbalance may diminish the play's exploration of generational conflict and differing responses to societal pressures.

Contextual and Comparative Perspectives

Understanding the criticism of *Death of a Salesman* also benefits from situating the play within its historical and literary context. Written in post-World War II America, the play captures the anxieties of a society grappling with economic prosperity alongside growing disillusionment. However, some critics argue that Miller's vision is emblematic of a specific demographic—middle-class, white, male—that may limit its universal applicability.

Comparatively, other works of the same era, such as Tennessee Williams's *The Glass Menagerie* or Lorraine Hansberry's *A Raisin in the Sun*, offer alternative critiques of American society and identity. While these plays also examine themes of aspiration and failure, they engage with race, gender, and class in ways that some believe Miller's work sidelines. This comparative lens highlights both the strengths and limitations of *Death of a Salesman* in addressing the multifaceted American experience.

Pros and Cons Based on Critical Reception

- **Pros:**

- Powerful depiction of the American Dream's pitfalls and personal tragedy.
- Innovative use of memory and non-linear narrative techniques.
- Rich symbolic imagery that enhances thematic depth.

- Strong emotional resonance and enduring cultural relevance.

- **Cons:**

- Occasional over-reliance on symbolism leading to didacticism.
- Potentially limiting portrayal of gender roles and psychological complexity.
- Narrative structure may confuse some audiences or dilute impact.
- Focus on a narrow demographic restricts broader social critique.

Impact of Criticism on Modern Interpretations

The ongoing criticism of *Death of a Salesman* has influenced how directors, actors, and scholars approach the play in contemporary settings. Modern productions often emphasize previously underexplored aspects, such as the subtle emotional currents between characters or the socio-economic factors affecting the Loman family. This evolving interpretation reflects a desire to address some of the earlier critiques by adding layers of nuance to the staging and performance.

Moreover, academic discourse frequently revisits Miller's work with fresh perspectives informed by gender studies, psychology, and cultural theory. This multidimensional scrutiny enriches the conversation around the play and ensures its continued relevance in literary and theatrical circles.

The complexity of criticism of *Death of a Salesman* underscores its position as a seminal yet contested work in American drama. While its strengths in storytelling and thematic exploration remain widely acknowledged, the nuanced critiques invite deeper engagement and reinterpretation, fostering a dynamic legacy that continues to provoke thought and debate.

criticism of death of a salesman: Critical Companion to Arthur Miller Susan C. W. Abbotson, 2007 Arthur Miller, best known for his works *The Crucible* and *Death of a Salesman*, is one of America's most important dramatists.

criticism of death of a salesman: *The Feminist Spectator as Critic* Jill Dolan, 1991 Extends the feminist analysis of representation to the realm of performance

criticism of death of a salesman: *The Cambridge Companion to Arthur Miller* C. W. E. Bigsby, 1997-11-13 Arthur Miller is regarded as one of the most important playwrights of the twentieth century. His work is performed and studied around the world and this Companion provides an introduction to this influential dramatist. In addition to analyses of Miller's plays, including *All My Sons*, *Death of a Salesman*, and *The Crucible*, his work is also placed within the context of the social and political climate of the time. The impact of the Depression, the Holocaust, and McCarthyism are explored in light of the plays, and the contributors also discuss Miller's fiction and work in film. In the last twenty years, Miller has written a host of new plays and the Companion also examines these works, including *The Ride Down Mount Morgan*, *The Last Yankee*, and *Broken Glass*. The volume closes with a bibliographic essay which reviews the key studies of Miller. It also contains a detailed chronology of Miller's work and illustrations from important productions.

criticism of death of a salesman: *Critical Theory Today* Lois Tyson, 2012-09-10 *Critical Theory Today* is the essential introduction to contemporary critical theory. It provides clear, simple explanations and concrete examples of complex concepts, making a wide variety of commonly used critical theories accessible to novices without sacrificing any theoretical rigor or thoroughness. This new edition provides in-depth coverage of the most common approaches to literary analysis today: feminism, psychoanalysis, Marxism, reader-response theory, new criticism, structuralism and semiotics, deconstruction, new historicism, cultural criticism, lesbian/gay/queer theory, African American criticism, and postcolonial criticism. The chapters provide an extended explanation of each theory, using examples from everyday life, popular culture, and literary texts; a list of specific questions critics who use that theory ask about literary texts; an interpretation of F. Scott Fitzgerald's *The Great Gatsby* through the lens of each theory; a list of questions for further practice to guide readers in applying each theory to different literary works; and a bibliography of primary and secondary works for further reading.

criticism of death of a salesman: *Critical Perspectives in American Literature* Meenakshi Raman, 2005 Wherever There Are People There Will Be A Literature. A Literature Is The Record Of Human Experience, And People Have Always Been Impelled To Write Down Their Impressions Of Life. They Do So In Diaries And Letters, In Pamphlets And Books, And In Essays, Poems, Plays, And Fiction. In This Respect American Literature Is Like Any Other, Though It Displays Many Characteristics That Are Similar And Many That Are Dissimilar To The Literary Tradition Of Other Nations. American Literature Has Witnessed Several Trends And Movements: Puritan/Colonial (1650 1750) Revolutionary/Age Of Reason (1750 1800) Romanticism (1800 1860) American Renaissance/Transcendentalism (1840 1860) Realism (1855 1900) (Period Of Civil War And Post-War Period) The Moderns (1900 1950) Harlem Renaissance (Parallel To Modernism) (1920S) Postmodernism (1950 To Present) The Present Volume Concentrates On The American Literature Of 19Th And 20Th Centuries And Includes Critical Papers On Authors Widely Prescribed In The Indian Universities. As We Are Aware, The Beauty Of Any Literary Work Is That It Leads To Fresh Interpretation Every Time When Viewed From A Different Angle. The Scholarly And Critical Analysis Presented On The Works Of Several American Literary Masters Such As Emerson, Hawthorn, Poe, Whitman, Hemingway, O Neill, Miller, Morrison, Walker, Etc., By Experts In The Field Of English Literature Would Unquestionably Enable The Readers Gain A New Insight Into The Interpretation Of Literary Works. While Serving As An Additional Resource To The Teachers Of American Literature, This Volume Is Expected To Assist The Students And Researchers In The Domain Of American Literature.

criticism of death of a salesman: *Death Of A Salesman* Miller, 2007-09

criticism of death of a salesman: *Staging Masculinity* Carla J. McDonough, 2006-07-19 The men in plays such as Arthur Miller's *Death of a Salesman* or Sam Shephard's *True West* are often presented as universal; little attention is given to the gender dynamics involved in the characters. This work looks at how contemporary playwrights, including Miller, Shepard, Eugene O'Neill, David

Mamet, and August Wilson, stage masculinity in their works. It becomes apparent that male playwrights return often to the issues of troubled manhood, usually masked in other issues such as war, business or family. The plays indicate both the attractiveness of the model of traditional masculinity and the illusive nature of this image, which all too often fractures and fails the characters who pursue it. O'Neill's play *The Hairy Ape* and the character Yank receive much attention.

criticism of death of a salesman: LIFE , 1949-02-21 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century. It now lives on at LIFE.com, the largest, most amazing collection of professional photography on the internet. Users can browse, search and view photos of today's people and events. They have free access to share, print and post images for personal use.

criticism of death of a salesman: *Birth of a Salesman* Walter A. Friedman, 2005-11-30 In this entertaining and informative book, Walter Friedman chronicles the remarkable metamorphosis of the American salesman from itinerant amateur to trained expert. From the mid-nineteenth century to the eve of World War II, the development of sales management transformed an economy populated by peddlers and canvassers to one driven by professional salesmen and executives. From book agents flogging Ulysses S. Grant's memoirs to John H. Patterson's famous pyramid strategy at National Cash Register to the determined efforts by Ford and Chevrolet to craft surefire sales pitches for their dealers, selling evolved from an art to a science. Salesmanship as a term and a concept arose around the turn of the century, paralleling the new science of mass production. Managers assembled professional forces of neat responsible salesmen who were presented as hardworking pillars of society, no longer the butt of endless traveling salesmen jokes. People became prospects; their homes became territories. As an NCR representative said, the modern salesman let the light of reason into dark places. The study of selling itself became an industry, producing academic disciplines devoted to marketing, consumer behavior, and industrial psychology. At Carnegie Mellon's Bureau of Salesmanship Research, Walter Dill Scott studied the characteristics of successful salesmen and ways to motivate consumers to buy. Full of engaging portraits and illuminating insights, *Birth of a Salesman* is a singular contribution that offers a clear understanding of the transformation of salesmanship in modern America.

criticism of death of a salesman: *Psychological Politics of the American Dream* Lois Tyson, 1994 While it is reasonable to assume that our national literature would offer a fertile field in which to explore the interaction between the ideological and psychological dimensions of American life, critics generally have kept these two domains separate, and the dominant model has consisted of an archaic notion of the individual in society.

criticism of death of a salesman: *The Cambridge Companion to Arthur Miller* Christopher Bigsby, 2010-04-22 Arthur Miller is regarded as one of the most important playwrights of the twentieth century, and his work continues to be widely performed and studied around the world. This updated Companion includes Miller's work since the publication of the first edition in 1997 - the plays *Mr Peters' Connections*, *Resurrection Blues*, and *Finishing the Picture* - and key productions of his plays since his death in 2005. The chapter on Miller and the cinema has been completely revised to include new films, and demonstrates that Miller's work remains an important source for filmmakers. In addition to detailed analyses of plays including *Death of a Salesman* and *The Crucible*, Miller's work is also placed within the context of the social and political climate of the time. The volume closes with a bibliographic essay which reviews the key studies of Miller and also contains a detailed chronology of the work of this influential dramatist.

criticism of death of a salesman: *Zwischen Selbstbehauptung und Eskapismus* Lydia Prexl, 2014-11-24 Warum leben, wenn der Tod so schön erscheint? Dieser Frage geht die vorliegende Arbeit nach. Als komplexes, faszinierendes und gesellschaftlich höchst brisantes Phänomen repräsentiert suizidales Verhalten ein zentrales Motiv in der Literatur und wird auch im amerikanischen Gegenwartsdrama immer wieder aufs Neue verhandelt. Gleichwohl ist der Suizid als literarisches Motiv bisher nur unzureichend auf seine innertextliche Funktion und auf seine

außertextlichen Implikationen erforscht worden. Diese Arbeit will diese Forschungslücke für den Bereich des zeitgenössischen amerikanischen Dramas schließen. Sie zeigt, dass suizidales Verhalten im amerikanischen Gegenwartsdrama vor dem Hintergrund einer Selbstwertproblematik beschreib- und verstehbar ist. Zugleich ist mit dem narzisstisch motivierten Suizid eine Problemstruktur benannt, welche das amerikanische Gegenwartsdrama wesentlich inhaltlich-thematisch und formal bestimmt und imstande ist, bisher kontrovers diskutierte Fragestellungen neu aufzurollen und fundiert zu beantworten.

criticism of death of a salesman: Twentieth Century Interpretations of Death of a Salesman Helene Koon, 1983 A collection of critical essays and commentary on Arthur Miller's Death of a salesman.

criticism of death of a salesman: Arthur Miller, New Edition Harold Bloom, 2009 Chronicles the life and works of Arthur Miller.

criticism of death of a salesman: Using Critical Theory Lois Tyson, 2011-11-16 Explaining both why theory is important and how to use it, Lois Tyson introduces beginning students of literature to this often daunting area in a friendly and approachable style. The new edition of this textbook is clearly structured with chapters based on major theories that students are expected to cover in their studies. Key features include: coverage of major theories including psychoanalysis, Marxism, feminism, lesbian/gay/queer theories, postcolonial theory, African American theory, and a new chapter on New Criticism (formalism) practical demonstrations of how to use these theories on short literary works selected from canonical authors including William Faulkner and Alice Walker a new chapter on reader-response theory that shows students how to use their personal responses to literature while avoiding typical pitfalls new sections on cultural criticism for each chapter new 'further practice' and 'further reading' sections for each chapter a useful next step appendix that suggests additional literary titles for extra practice. Comprehensive, easy to use, and fully updated throughout, Using Critical Theory is the ideal first step for students beginning degrees in literature, composition and cultural studies.

criticism of death of a salesman: Student Companion to Arthur Miller Susan C. W. Abbotson, 2000-05-30 This critical introduction to Arthur Miller provides an indispensable aid for students and general readers to understand the depth and complexity of some of America's most important dramatic works. Beginning with a discussion of his life, this work traces not only Miller's theatrical career, but his formative experiences with the Great Depression, the Holocaust, and the House Un-American Activities Committee. Detailed discussions of eight important plays are organized around the social and moral themes Miller derived from such events; these themes are evident in such works as Death of A Salesman, The Crucible, A View from the Bridge, and All My Sons. By placing Miller, within the context of his times, this discussion reveals how he was influenced by and reacted to the major events in his own life and in American culture. Analysis of his more recent works such as The American Clock, Broken Glass and The Ride Down Mt. Morgan illustrate the consistency of Miller's strong moral vision, and his continuing innovative contributions to American theatre. A fascinating biographical chapter takes readers from Miller's childhood, through the Depression years, through three marriages; and from his theatrical apprenticeship, to eventual fame and critical acclaim for his plays and other literary and cinematic projects. The literary heritage chapter outlines Miller's literary and dramatic precursors, and considers the major aspects of his dramatic impact. The six chapters discussing his major plays are systematically presented to allow the reader to easily grasp the intricacies of their plots, characterizations, stylistic devices, and themes. In addition, each chapter offers a view of the social and/or historical context that influenced the plays' thematic development, as well as an alternate critical reading that demonstrates the richness of Miller's work. Lastly, the bibliography provides information on Miller's published works, including his screenplays and essays, biographical information, selected general criticism, and both contemporary reviews and critical studies of the plays discussed.

criticism of death of a salesman: Interpreting Cultures J. Hart, 2016-09-23 This book focuses on how we perceive, know and interpret culture across disciplinary boundaries. The study combines

theoretical and critical contexts for close readings in culture through discussions of literature, philosophy, history, psychology and visual arts by and about men and women in Europe, the Americas and beyond.

criticism of death of a salesman: *Calvin on the Ropes* Douglas R. Shearer, 2009 At the moment, there are two powerful trends developing within evangelicalism: - a pernicious postmodernism that demeans moral and intellectual certainty and presses for accommodation among competing truths - a postmodernism that's now institutionalizing itself among many of the so-called emerging churches; and - a resurgent five point Calvinism that casts itself in opposition to postmodernism and, therefore, appeals to college Christians who are desperately looking for a spiritual and intellectual mooring that will safeguard their beliefs from being swept into a sea of relativism. In short, the one, postmodernism and the relativism it's producing among American intellectuals, has led to the other, a resurgence of five point Calvinism. Calvinism is closely argued, tightly bound, and scrupulously logical. Its logic, however, is its undoing - because it argues Calvinist conclusions from Calvinist premises that don't always line up with the Biblical text. The whole edifice rests on a flawed foundation that a careful exegesis of Romans reveals to anyone who is equipped with a little background in pre-modern thought.

Dr. Arnold Fruchtenbaum writes: This book is highly recommended to both Dispensational Calvinists and Covenantal Calvinists as well as to Arminians, and also to all of those who do not see themselves in any of these categories for an honest evaluation of what the Book of Romans really says about God's program for salvation and God's program for Israel. Arnold Fruchtenbaum Ariel Ministries Douglas Shearer has recently retired from pastoring the church he helped to found in 1982. He and his wife Sita have been married for 45 years - and together have raised four children - two sons and two daughters: Kendra, Greg, Alan, and Margo. They are all married and raising families of their own - each of them and their spouses dedicated to serving the Lord.

criticism of death of a salesman: Jewish Theatre: A Global View Edna Nahshon, 2009-07-30 While a frequently used term, Jewish Theatre has become a contested concept that defies precise definition. Is it theatre by Jews? For Jews? About Jews? Though there are no easy answers for these questions, *Jewish Theatre: A Global View*, contributes greatly to the conversation by offering an impressive collection of original essays written by an international cadre of noted scholars from Europe, the United States, and Israel. The essays discuss historical and current texts and performance practices, covering a wide gamut of genres and traditions.

criticism of death of a salesman: Masterpieces of 20th-Century American Drama Susan C. W. Abbotson, 2005-09-30 American playwrights have made enormous contributions to world drama during the last century, and their works are widely read and performed. This reference conveniently introduces 10 of the most important modern American plays read by students. An introductory essay concisely overviews modern American drama, and each of the chapters that follow examines a particular play. Among the plays discussed are Thornton Wilder's *Our Town*, Arthur Miller's *Death of a Salesman*, Lorraine Hansberry's *A Raisin in the Sun*, and August Wilson's *The Piano Lesson*. Each chapter includes a biography, a plot summary, an analysis of the play's themes, characters, and dramatic art, and a review of its historical background and reception. Chapters list works for further reading, and the volume closes with a selected, general bibliography.
