The daily devotional encourages practical application through:

1. Reflection on God's promises to alleviate anxiety and fear.

daily devotional by joseph prince: The Beauty of the Redemption Bishop Ferdinand Samson Ovbiebo, 2018-10-13 We should serve God by using our gifts, talents, and other resources to add value to the lives of others to the glory of the Lord. It is very important for us to strive with all our might to offer excellent service to God in whatever capacity and do so with cheerful hearts. Everything we do in the service of God, plus how we do it, decides the level of honor and influence we will enjoy in our destinies. I believe it also determines the level of divine favors we will walk in here on earth. Serving in excellence is our highway to honor and distinction. "If any man serve me, let him follow me; and where I am, there shall also my servant be: if any man serve me, him will my Father honor" (John 12:26). The main point, however, is that it is not enough just to serve God. Your service must be of a level of excellence. Nothing less will do. Service to God is commendable, but that is not enough. Your service must be honorable. In this way, your gifts and offerings must honor him. "Therefore the LORD, the God of Israel, declares: 'I promised that your house and your father's house would minister before me forever.' But now the LORD declares: 'Far be it from me! Those who honor me I will honor, but those who despise me will be disdained'" (1 Samuel 2:30). If you cut corners in carrying out divine assignments, don't expect the best from God. Have a big heart for God. "The temple I am going to build will be great, because our God is greater than all other gods" (2 Chronicles 2:5). If you want to experience the glory of God in your life, go all out in your sacrifices. Be an extremist in your excellence service to him.

daily devotional by joseph prince: Lord, Is This You?; Yes, It Is!; A Memoir Brenda Ann Green, 2024-01-16 This writing started out as a simple desire to write a person's story of her life experiences based on her testimony. My inspiration evolved into a testimonial for God--seeing how God would move on our behalf to orchestrate events in our lives, working through the people we know or don't know to bring those events to pass. Orchestration of miracles is a specialty of God's. He's been doing it since the beginning. He orchestrated us having a Savior to bring to us salvation and eternal life through our faith in Him, our Lord Jesus Christ. I've learned that God has already orchestrated many blessings, directions, or actions we're to take in our lives in the heavenly realm that only need to be brought to the natural. We bring things to the natural by faith through prayer,

through our taking action on our dreams, and through obeying what we know God has spoken to us to do, and especially if it is on our hearts to do something for someone else. So what is my opinion about cremation after my experience? I was reminded that God is the greatest Orchestrator of all time. Only He could have arranged the events that I have documented in this writing.

daily devotional by joseph prince: *Freedom from Sin* Anuoluwapo Ademuyiwa, 2013-12 HOW LONG SHALL WE CONTINUE TO STRUGGLE? For a long while, sin has been a common topic for consideration in Christian circles. From the confines of our hearts to the open pulpit we struggle

with the concept. We hang our heads in shame in our defeat where Christ has given us total victory and convict ourselves of sins long atoned for. Are you uncertain about your salvation? Has your life been a continuous cycle of repentance and rededication? Are you struggling with immoral habits and addictions Has your bible suddenly become another boring piece of literature? This book beautifully reveals through the scripture what Christ's finished work has accomplished for you, how you can freely access the victory which is already yours in Him and walk in complete freedom from sin. Christ did not die on the cross so we can become sinners in Christ, rather that we might become the RIGHTEOUSNESS OF GOD in Him. The book also features: How to overcome habits and addictions How to handle temptations How to effectively study and enjoy your bible What to do when you fall into temptations The difference between sin as a nature and sin as an action I salute your courage for the openness you have displayed for the benefit of others. It is obvious in recent times that many Christians are still struggling with the issue of sin and they just can't see a way out. Your book will open the eyes of many to the fact that as born again children of God, we are free from the bondage of sin and are victorious over sin. One major way of living a victorious life emphasized in your book is by renewing our minds with the word of God as recommended in the Epistle of Paul to the Romans. I recommend this book to all those that truly desire to experience freedom from the bondage of sin. Dr. Gloria A. Ayoola, PhD

daily devotional by joseph prince: New Testament Exhortations Dorothy Mutanu Kagwaini PhD, 2019-07-17 With the Fourth Industrial Revolution of converging genetics, robotics, artificial intelligence, synthetic, biology, nanotechnology, and dimensional spiritual welfare, humanity will be exposed to the most fantastic - most far reaching - supernatural implications. The destiny of each individual and the future of generation will depend on knowledge of the True Being - Jesus Christ. Technology has challenged Christianity and New Testament fundamental precepts abandoned, giving birth to new form of secularized spirituality. Thus, prosperity theology has been elevated

instead of theology of the counsel of God. In addition, living by faith defined in the scriptures as centered on the person of Jesus Christ and expressed in personal sacrifice and transformation, this has been changed to thrilling unorthodox theology. The faith that once delivered saints is no longer familiar, not only among the teens, but also in parents. Mankind has begun to play God; but we know God alone is Creator of life. It is for this reason that the New Testament Exhortations book will outline in chapters based on the Sovereignty of God's love to mankind. God is the same yesterday, today and forever and that will never ever change.
