

a visit from the goon squad jennifer egan

****Exploring the Depths of Time and Memory in *A Visit from the Goon Squad* by Jennifer Egan****

a visit from the goon squad jennifer egan is a novel that has captivated readers and critics alike with its inventive narrative style and profound exploration of time, memory, and human connection. Jennifer Egan's work stands out as a groundbreaking piece of contemporary literature that challenges conventional storytelling while delving into the complexities of modern life. If you've been curious about what makes this book so unique or are looking to understand its themes and structure more deeply, this article will guide you through everything you need to know.

What Is *A Visit from the Goon Squad* About?

At its core, **A Visit from the Goon Squad** is a mosaic of interconnected stories revolving around a diverse cast of characters linked through the music industry. The novel spans several decades, moving fluidly across time and perspectives to reveal how the characters' lives intersect and evolve. The "goon squad" in the title is a metaphor for time itself—an unstoppable force that changes and sometimes damages our relationships and ambitions.

Jennifer Egan uses this framework to explore themes of aging, regret, ambition, and the elusive nature of happiness. The novel doesn't follow a traditional linear plot but instead offers snapshots of moments, memories, and futures, inviting readers to piece together the broader picture.

The Structure and Style: A Literary Puzzle

One of the most talked-about features of **A Visit from the Goon Squad** is its unconventional structure. The novel consists of thirteen chapters, each with a different style, point of view, and sometimes even genre. For example, one chapter reads like a PowerPoint presentation, while another is told from the perspective of a teenager documenting her life through emails.

This shifting narrative style is deliberate, reflecting the fragmented nature of memory and identity. Egan's inventive approach pushes the boundaries of what a novel can be, making readers active participants in piecing together the characters' stories. This experimental style has been praised for its originality and emotional depth, contributing to the book's critical acclaim, including winning the Pulitzer Prize for Fiction in 2011.

The Characters: A Tapestry of Lives Intertwined

Jennifer Egan's novel is rich with complex characters, each grappling with their own struggles and transformations. The central figure is Bennie Salazar, a music producer whose career and personal life serve as a hub connecting the other characters.

Key Characters to Remember

- **Bennie Salazar:** A once-successful music producer, Bennie's story explores themes of redemption, legacy, and the impact of time on creative energy.
- **Sasha:** A kleptomaniac who struggles with her identity and past, her chapters delve into themes of addiction and self-discovery.
- **Alex:** Bennie's assistant and Sasha's boyfriend, Alex's narrative highlights the tension between ambition and personal relationships.
- **Lou:** Bennie's childhood friend and musical collaborator, Lou's trajectory illustrates the sacrifices and disappointments of the music industry.

Each character's story is like a thread in a larger tapestry, revealing how choices ripple through time and affect the people around them. This interconnectedness is one of the novel's most compelling qualities.

Thematic Depth: Time as the Ultimate Antagonist

The concept of time is central to *A Visit from the Goon Squad*. Jennifer Egan personifies time as the "goon squad"—a relentless enforcer that disrupts lives and challenges the characters' attempts to control their destinies.

How Time Shapes the Narrative

The nonlinear storytelling mimics the way memory works—fragmented, subjective, and often unreliable. By jumping forward and backward in time, Egan illustrates how past decisions haunt the present and how hope for the future can be both motivating and elusive.

This treatment of time encourages readers to reflect on their own lives and

the inevitability of change. It also raises questions about identity: Are we the same person we were years ago, or do we become someone entirely different as time passes?

Why **A Visit from the Goon Squad** Resonates Today

In an age dominated by technology, social media, and rapid change, Egan's novel feels particularly relevant. The book addresses themes such as:

- **The impact of technology on human connection:** Several chapters touch on digital communication, revealing both its potential and pitfalls.
- **Addiction and recovery:** The characters' struggles with substance abuse and mental health make the story profoundly human and relatable.
- **The music industry as a microcosm:** The novel uses the evolution of music to comment on broader cultural shifts.

These elements make **A Visit from the Goon Squad** not just a story about a group of people but a reflection on contemporary life's complexities.

Jennifer Egan's Writing Style: Engaging and Thought-Provoking

Egan's prose is both accessible and sophisticated. She balances humor, melancholy, and insight with a keen eye for detail. Readers often praise her ability to create vivid characters and scenes that linger long after the book is closed.

Moreover, the novel's experimental chapters, such as the PowerPoint presentation titled "Great Rock and Roll Pauses," showcase Egan's willingness to innovate and surprise.

Tips for Reading **A Visit from the Goon Squad**

If you're planning to dive into this novel, here are some helpful tips to enhance your reading experience:

1. **Take your time:** Because of its nonlinear structure, it's worth reading

slowly and allowing each chapter to sink in.

2. **Don't worry about full understanding right away:** The novel's fragmented style means some connections only become clear later.
3. **Pay attention to recurring themes:** Notice how time, music, and identity weave through different stories.
4. **Consider rereading:** Revisiting chapters can reveal new layers and insights.

Understanding that the book is designed to be an exploration rather than a straightforward narrative can help you appreciate its depth.

The Legacy of *A Visit from the Goon Squad* in Contemporary Literature

Since its publication in 2010, *A Visit from the Goon Squad* has secured a place as a modern classic. Its innovative narrative techniques influenced many writers and expanded the possibilities of storytelling in the 21st century.

The novel's success also brought Jennifer Egan wider recognition, establishing her as a leading voice in contemporary fiction. Literary awards such as the Pulitzer Prize underscored the book's impact and importance.

Many readers and scholars continue to analyze its themes, making it a rich subject for book clubs, academic discussions, and literary enthusiasts.

Whether you're drawn to inventive storytelling, intrigued by the exploration of time and memory, or fascinated by the music industry's cultural backdrop, *A Visit from the Goon Squad* offers a compelling and multifaceted reading experience. Jennifer Egan's novel challenges readers to think differently about narrative and to appreciate the interconnectedness of human experiences across time. It's a journey well worth taking for anyone interested in the evolving landscape of contemporary literature.

A Visit from the Goon Squad by Jennifer Egan: A Multifaceted Exploration of Time and Identity

a visit from the goon squad jennifer egan stands as a seminal work in contemporary American literature, a novel that defies traditional narrative structures while delving deeply into themes of time, memory, and the interconnectedness of human lives. Since its publication in 2010, Egan's Pulitzer Prize-winning book has garnered critical acclaim for its innovative approach to storytelling, blending genres and perspectives in a way that challenges readers to reconsider the fluidity of time and the complexities of personal transformation.

This article offers a comprehensive review and analysis of Jennifer Egan's **A Visit from the Goon Squad**, highlighting its narrative style, thematic depth, and cultural resonance. By examining the novel's structure, characters, and literary techniques, we aim to provide insight into why this work remains influential in the literary canon and continues to captivate a diverse audience.

Innovative Narrative Structure and Style

One of the most striking features of **A Visit from the Goon Squad** is its fragmented, mosaic-like structure. Rather than adhering to a linear storyline, Egan presents a collection of loosely connected chapters, each focusing on different characters and time periods. This patchwork narrative mirrors the central motif of the novel: the relentless passage of time and its impact on identity.

The use of multiple perspectives allows Jennifer Egan to explore the lives of her characters from various vantage points, sometimes shifting in time and voice abruptly. This technique not only reflects the disjointedness of memory and experience but also invites readers to piece together a broader, more nuanced understanding of the characters' lives. The novel's title itself references the "goon squad" as a metaphor for time, an unstoppable force that disrupts and shapes human existence.

Exploration of Time as a Central Theme

Time is arguably the most pervasive theme in **A Visit from the Goon Squad**. The novel examines how time affects the characters' ambitions, relationships, and self-perceptions. For instance, the protagonist, Bennie Salazar, a music producer, and his assistant, Sasha, represent different generational experiences and reactions to time's inexorable march. Bennie's nostalgia and desire to recapture past glory contrast sharply with Sasha's youthful uncertainty and attempts to forge an identity in a rapidly changing world.

Jennifer Egan's treatment of time transcends mere chronology; she plays with the concept by using non-linear storytelling and experimental formats, including a chapter written entirely as a PowerPoint presentation. This inventive approach emphasizes how modern technology and media influence our perception of time and memory, making the novel resonate with contemporary readers.

Character Development Across Time

The characters in **A Visit from the Goon Squad** are intricately developed, not only as individuals but as interconnected parts of a larger social and

emotional ecosystem. The novel's nonlinear format allows readers to see characters at different points in their lives, highlighting transformation, regret, and resilience.

Egan's portrayal of female characters, including Sasha and Alison Blake, provides a nuanced exploration of gender dynamics and personal agency. Their stories intersect with those of male characters, creating a complex web of relationships that reflect broader cultural and generational shifts. This layered character development contributes to the novel's depth, inviting reflection on how identity is shaped by past experiences and future possibilities.

Literary Techniques and Experimental Elements

Jennifer Egan's writing in *A Visit from the Goon Squad* is notable for its stylistic diversity and willingness to embrace unconventional literary forms. The novel employs a range of techniques that enhance its thematic concerns and challenge readers' expectations.

The PowerPoint Chapter: A Case Study in Innovation

Perhaps the most famous example of Egan's experimental style is the chapter titled "Great Rock and Roll Pauses," presented entirely as a PowerPoint presentation. This inventive format uses bullet points, charts, and images to tell a story about a woman's experience of trauma and recovery. The chapter's brevity and visual style contrast sharply with the novel's more traditional prose sections, illustrating the fragmented nature of memory and communication in the digital age.

This chapter exemplifies how Egan integrates form and content to deepen the reader's engagement with the novel's themes. By breaking the mold of conventional storytelling, she invites readers to consider alternative ways narratives can be constructed and understood.

Interconnected Stories and Narrative Cohesion

Despite the novel's episodic structure, Jennifer Egan skillfully weaves connections between characters and events that create a cohesive narrative fabric. Recurring motifs, such as music and aging, serve as threads linking disparate stories. The novel's title, drawn from a song by the band The Goon Squad, symbolizes the omnipresent force of time and its ability to "visit" each character.

The interplay between individual stories highlights the social and cultural milieu of late 20th and early 21st-century America, touching on issues such

as technology's impact on relationships, the music industry's evolution, and the shifting nature of success.

Critical Reception and Cultural Impact

Since its release, *A Visit from the Goon Squad* has been lauded by critics and readers alike for its originality and emotional depth. The novel won the 2011 Pulitzer Prize for Fiction, cementing Jennifer Egan's reputation as a leading contemporary author. Critics have praised the book's ambitious narrative design and its insightful exploration of human vulnerability and resilience.

The novel's impact extends beyond literary circles, influencing discussions about how stories can be told in the digital era. Its blending of traditional prose with multimedia elements anticipates trends in digital storytelling and challenges the boundaries of the novel as a form.

Comparisons to Contemporary Works

When compared to other postmodern novels that experiment with form, such as David Mitchell's *Cloud Atlas* or Jennifer Egan's own earlier work, *A Visit from the Goon Squad* stands out for its balance between innovation and emotional accessibility. While some experimental novels risk alienating readers through complexity, Egan maintains a compelling human core that anchors the narrative.

Moreover, the focus on time and interconnectedness aligns the novel with a broader literary movement grappling with globalization, technology, and identity in the 21st century.

Pros and Cons of A Visit from the Goon Squad

- **Pros:** Innovative narrative structure; rich character development; thematic depth; engaging exploration of time and memory; experimental yet accessible writing style.
- **Cons:** Fragmented narrative may challenge some readers; abrupt shifts in perspective can be disorienting; the PowerPoint chapter may not appeal to traditionalists.

These considerations highlight the novel's dual nature as both a literary experiment and a deeply human story, which may appeal differently depending

on reader preferences.

Jennifer Egan's *A Visit from the Goon Squad* remains a landmark novel that pushes the boundaries of narrative form while offering profound insights into the human condition. Its exploration of time, identity, and connection resonates in an age increasingly defined by rapid change and digital interconnectivity. As readers navigate its shifting perspectives and innovative storytelling, they encounter a work that challenges and enriches, inviting ongoing reflection on the stories we tell about ourselves and each other.

a visit from the goon squad jennifer egan: *A Visit from the Goon Squad* by Jennifer Egan Samarra Hyde, 2011

a visit from the goon squad jennifer egan: *A Visit from the Goon Squad* Jennifer Egan, 2011 Bennie Salazar, an aging former punk rocker and record executive, and Sasha, the passionate, troubled young woman he employs confront their pasts in this powerful story about how rebellion ages, influence corrupts, habits turn to addictions, lifelong friendships fluctuate and turn, and how art and music have the power to redeem.

a visit from the goon squad jennifer egan: *The Digital Banal* Zara Dinnen, 2018-01-02 Contemporary culture is haunted by its media. Yet in their ubiquity, digital media have become increasingly banal, making it harder for us to register their novelty or the scope of the social changes they have wrought. What do we learn about our media environment when we look closely at the ways novelists and filmmakers narrate and depict banal use of everyday technologies? How do we encounter our own media use in scenes of waiting for e-mail, watching eBay bids, programming as work, and worrying about numbers of social media likes, friends, and followers? Zara Dinnen analyzes a range of prominent contemporary novels, films, and artworks to contend that we live in

the condition of the “digital banal,” not noticing the affective and political novelty of our relationship to digital media. Authors like Jennifer Egan, Dave Eggers, Sheila Heti, Jonathan Lethem, Gary Shteyngart, Colson Whitehead, Mark Amerika, Ellen Ullman, and Danica Novgorodoff and films such as *The Social Network* and *Catfish* critique and reveal the ways in which digital labor isolates the individual; how the work of programming has become an operation of power; and the continuation of the “Californian ideology,” which has folded the radical into the rote and the imaginary into the mundane. The works of these writers and artists, Dinnen argues, also offer ways of resisting the more troubling aspects of the effects of new technologies, as well as timely methods for seeing the digital banal as a politics of suppression. Bridging the gap between literary studies and media studies, *The Digital Banal* recovers the shrouded disturbances that can help us recognize and antagonize our media environment.

a visit from the goon squad jennifer egan: *A Visit from the Goon Squad Reread* Ivan Kreilkamp, 2021-02-02 Jennifer Egan described her Pulitzer Prize-winning novel *A Visit from the Goon Squad* as a combination of Proust and *The Sopranos*. In rereading the book, Ivan Kreilkamp takes Egan up on her comparison, showing how it blends a concern with the status of the novel in the twenty-first century with an elegiac meditation on how we experience the passage of time. Kreilkamp, a former music critic, examines how Egan’s characters turn to rock and especially punk in search of community and meaning. He considers what the novel’s portrayal of music says about the role of art in contemporary culture as digitization makes older technologies obsolete. Combining personal and critical reflection, he reveals how *A Visit from the Goon Squad* articulates and responds to the sense of loss many feel as cherished physical objects are replaced with immaterial data. For Kreilkamp, Egan’s novel compellingly combines the psychological realism of the nineteenth-century novel with more recent and transient forms such as the celebrity magazine profile or a PowerPoint presentation to provide a self-reflective diagnosis of the decay and endurance of literature. Arranged like Egan’s novel into A and B sides, this book highlights not only how *A Visit from the Goon Squad* speaks to our mass-media and digital present but also its page-turning pleasure.

a visit from the goon squad jennifer egan: Twentieth-Century and Contemporary American Literature in Context Linda De Roche, 2021-06-04 This four-volume reference work surveys American literature from the early 20th century to the present day, featuring a diverse range of American works and authors and an expansive selection of primary source materials. Bringing useful and engaging material into the classroom, this four-volume set covers more than a century of American literary history—from 1900 to the present. *Twentieth-Century and Contemporary American Literature in Context* profiles authors and their works and provides overviews of literary movements and genres through which readers will understand the historical, cultural, and political contexts that have shaped American writing. *Twentieth-Century and Contemporary American Literature in Context* provides wide coverage of authors, works, genres, and movements that are emblematic of the diversity of modern America. Not only are major literary movements represented, such as the Beats, but this work also highlights the emergence and development of modern Native American literature, African American literature, and other representative groups that showcase the diversity of American letters. A rich selection of primary documents and background material provides indispensable information for student research.

a visit from the goon squad jennifer egan: Symbolism 15 Rüdiger Ahrens, Klaus Stierstorfer, 2015-10-16 While paratexts – among them headnotes, footnotes, or endnotes – have never been absent from American literature, the last two decades have seen an explosion of the phenomenon, including (mock) scholarly footnotes, to an extent that they seem to take over the text itself. In this Special Focus we shall attempt to find the reasons for this astonishing development. In our first (diachronic) section we shall explore such texts as might have fostered the present boom, from fictions by Edgar Allan Poe to Vladimir Nabokov to Mark Z. Danielewski. The second (synchronic) section, will concentrate on paratexts by David Foster Wallace, perhaps the “father” of the post-postmodern footnote, as well as those to be found in novels by Bennett Sims, Jennifer Egan

and Junot Diaz, among others. It appears that, while paratexts definitely point to a high degree of self-reflexivity in the author, they equally draw attention to the textual and authorial functions of the works in which they exist. They can thus cause a reflection on the boundaries between genres like fiction, faction, and autobiography, as well as serving to highlight a host of pedagogical and social concerns that exist in the interstices between fiction and reality.

a visit from the goon squad jennifer egan: *The Mobile Story* Jason Farman, 2013-09-11 What happens when stories meet mobile media? In this cutting-edge collection, contributors explore digital storytelling in ways that look beyond the desktop to consider how stories can be told through mobile, locative, and pervasive technologies. This book offers dynamic insights about the new nature of narrative in the age of mobile media, studying digital stories that are site-specific, context-aware, and involve the reader in fascinating ways. Addressing important topics for scholars, students, and designers alike, this collection investigates the crucial questions for this emerging area of storytelling and electronic literature. Topics covered include the histories of site-specific narratives, issues in design and practice, space and mapping, mobile games, narrative interfaces, and the interplay between memory, history, and community.

a visit from the goon squad jennifer egan: *The Literature of Reconstruction* Wolfgang Funk, 2015-09-24 Winner of the 2016 ESSE Junior Scholar Book Award in Literatures in the English Language *The Literature of Reconstruction* argues for the term and concept of 'postmillennial reconstruction' to fill the gap left by the decline of postmodernism and deconstruction as useful cultural and literary categories. Wolfgang Funk shows how this notion emerges from the theoretical and philosophical development that led to the demise of postmodernism by relating it to the idea of 'authenticity': immediate experience that eludes direct representation. In addition, he provides a clear formal framework with which to identify and classify the features of 'reconstructive literature' by updating the narratological category of 'metafiction', originally established in the 1980s. Based on Werner Wolf's observation of a 'metareferential turn' in contemporary arts and media, he illustrates how the specific use of metareference results in a renegotiation of the specific patterns of literary communication and claims that this renegotiation can be profitably described with the concept of 'reconstruction'. To substantiate this claim, in the second half of the book Funk discusses narrative texts that illustrate this transition from postmodern deconstruction to postmillennial reconstruction. The analyses take in distinguished and prize-winning writers such as Dave Eggers, Julian Barnes, Jennifer Egan and Jasper Fforde. The broad scope of authors, featuring writers from the US as well as the UK, underlines the fact that the reconstructive tendencies and strategies Funk diagnoses are of universal significance for the intellectual and cultural self-image of the global North.

a visit from the goon squad jennifer egan: Reflecting 9/11 Heather Pope, Victoria Bryan, 2016-06-22 In over fifteen years, the cultural and artistic response to 9/11 has been wide-ranging in form and function. As the turbulent post-9/11 years have unfolded – years that have been shaped and characterized by the War on Terror, the Patriot Act, the Wars in Afghanistan and Iraq, 7/7, Abu Ghraib and Guantánamo Bay – these texts have been commemorative and heroic, have attempted to work through collective and individual traumas, and have struggled with trying to represent the “terrorist other.” Many of these earlier domestic, heroic and traumatic works have so often been read as limitations in narrative. This collection, however, challenges the language of limitation and provides re-readings of earlier work, but also traces the emergence of a new paradigm for discussing the artistic responses to 9/11 – one that frames these narratives as dialogic, self-conscious and self-reflexive interventions in the responses to the attacks, the initial representations of the attacks, and the ever-shifting social and geopolitical continuities of the 9/11 decade. These texts widen the conversation about the lasting impacts of 9/11, and incorporate strands of discussion on American exceptionalism and imperialism, torture, and otherness, whilst still remaining invested in the personal and collective traumas of the attacks. The authors included here ask crucial questions about the way 9/11 is being historicized: will it, for example, be read as a moment of rupture or epoch? Will it inevitably be attached to the War on Terror or the Wars in Iraq and Afghanistan? As they trace the emergent patterns of reflexivity, politicization and dissent, the contributions here are also implicitly invested in asking how far they extend.

a visit from the goon squad jennifer egan: *The Digital Humanities and Literary Studies* Martin Paul Eve, 2022 A short introduction and overview of developing intersections between digital methods and literary studies that offers the best starting place for those who wish to learn more about the possibilities, but also the limitations, of the digital humanities in the literary space.

a visit from the goon squad jennifer egan: *The Art of Identification* Rex Ferguson, Melissa M. Littlefield, James Purdon, 2021-09-06 Since the mid-nineteenth century, there has been a notable acceleration in the development of the techniques used to confirm identity. From fingerprints to photographs to DNA, we have been rapidly amassing novel means of identification, even as personal, individual identity remains a complex chimera. *The Art of Identification* examines how such processes are entangled within a wider sphere of cultural identity formation. Against the backdrop of an unstable modernity and the rapid rise and expansion of identificatory techniques, this volume makes the case that identity and identification are mutually imbricated and that our best understanding of both concepts and technologies comes through the interdisciplinary analysis of science, bureaucratic infrastructures, and cultural artifacts. With contributions from literary critics, cultural historians, scholars of film and new media, a forensic anthropologist, and a human bioarcheologist, this book reflects upon the relationship between the bureaucratic, scientific, and technologically determined techniques of identification and the cultural contexts of art, literature, and screen media. In doing so, it opens the interpretive possibilities surrounding identification and pushes us to think about it as existing within a range of cultural influences that complicate the precise formulation, meaning, and reception of the concept. In addition to the editors, the contributors to this volume include Dorothy Butchard, Patricia E. Chu, Jonathan Finn, Rebecca Gowland, Liv Hausken, Matt Houlbrook, Rob Lederer, Andrew Mangham, Victoria Stewart, and Tim Thompson.

a visit from the goon squad jennifer egan: How to be Well Read John Sutherland, 2014-05-08 'Generous, enjoyable and well informed.' Observer '500 expertly potted plots and personal comments on a wide range of pop and proper prose fiction.' The Times

Ranging all the way from Aaron's Rod to Zuleika Dobson, via The Devil Rides Out and Middlemarch, literary connoisseur and sleuth John Sutherland offers his very personal guide to the most rewarding, most remarkable and, on occasion, most shamelessly enjoyable works of fiction ever written. He brilliantly captures the flavour of each work and assesses its relative merits and demerits. He shows how it fits into a broader context and he offers endless snippets of intriguing information: did you know, for example, that the Nazis banned Bambi or that William Faulkner wrote As I Lay Dying on an upturned wheelbarrow; that Voltaire completed Candide in three days, or that Anna Sewell was paid £20 for Black Beauty? It is also effectively a history of the novel in 500 or so wittily informative, bite-sized pieces.

Encyclopaedic and entertaining by turns, this is a wonderful dip-in book, whose opinions will inform and on occasion, no doubt, infuriate. 'Anyone hooked on fiction should be warned: this book will feed your addiction.' Mail on Sunday 'A dazzling array of genres, periods, styles and tastes... chatty, insightful, unprejudiced (but not uncritical) and wise.' Times Literary Supplement

a visit from the goon squad jennifer egan: Ich wünschte, ich wäre hier: Langeweile im Zeitalter des Internets Mark Kingwell, 2021-04-28 Langeweile ist eine der geläufigsten menschlichen Erfahrungen, trotzdem scheint sie sich beharrlich einem vollständigen Verständnis zu entziehen. Wir alle wissen, wie es sich anfühlt, gelangweilt zu sein, doch was genau den Zustand des Gelangweiltseins auslöst, was ihn ausmacht und was aus ihm folgt, ist weit weniger klar. Ist Langeweile eine Funktion der Muße, sodass es, wie manche meinen, vor dem Zeitalter Schopenhauers so etwas wie Langeweile gar nicht gab? Oder ist die aus dem Mittelalter bekannte Sünde der Acedia – eine Art Apathie, ein Überdruß an jeder Art des Tätigseins – vielleicht ein passender Vorläufer? Stürzt uns die Langeweile in ein Wechselbad widersprüchlichen Verlangens oder konträrer Zustände oder beides? Kurz: Wenn ich mich angesichts eines gefüllten Kühlschranks darüber beklage, dass es nichts zu essen gibt, oder wenn ich in hundert Fernsehkanälen vergeblich nach etwas Gescheitem suche, wer oder was ist dann genau daran schuld?

a visit from the goon squad jennifer egan: Fernsehserie und Literatur Vincent Fröhlich, Lisa Gotto, Jens Ruchatz, 2020-04-28 Game of Thrones und Fantasyromane, Empire und Shakespeare – wie beeinflussen sich Fernsehserie und Literatur gegenseitig? Fernsehserie und Literatur untersucht die wechselseitige Bezugnahme von Fernsehserie und Literatur am Beispiel von erfolgreichen Serien wie Deadwood, Sherlock oder auch Castle. Dabei steht einerseits der Einfluss der Literatur auf televisuelle Adaptionen auf dem Prüfstand wie auch umgekehrt die Rückwirkungen der Fernsehserie auf die Literatur: Kann die Literatur als Fortsetzung der Fernsehserie mit anderen Mitteln gedacht werden? Wie unterscheiden sich seriell gebaute Romane des 19. Jahrhunderts von heutigen TV-Serien? Der Band geht diesen Fragen auf die Spur und lässt dabei auch Phänomene wie Fan Fiction und Quality-TV nicht außer Acht.
