

a small place by jamaica kincaid

****Exploring "A Small Place" by Jamaica Kincaid: A Deep Dive into Colonial Legacy and Identity****

a small place by jamaica kincaid is much more than just a travelogue or a simple memoir. It is a powerful, evocative, and deeply personal exploration of Antigua's colonial past and its enduring effects on the present. Jamaica Kincaid's sharp prose and poignant reflections invite readers to reconsider the impact of imperialism, the nature of tourism, and the complexities of identity in postcolonial societies. If you're curious about Caribbean literature, postcolonial critique, or simply want to understand how history shapes culture, this book offers invaluable insights.

Understanding the Core Themes of "A Small Place"

At its heart, **A Small Place** is an unflinching examination of Antigua, the island where Jamaica Kincaid was born and raised. The book confronts readers with the uncomfortable truths about colonialism, corruption, and the consequences of a tourism industry that often glosses over local realities to cater to foreign visitors.

The Legacy of Colonialism

One of the most striking elements in **A Small Place by Jamaica Kincaid** is the way it exposes the enduring scars of colonial rule. Kincaid doesn't just recount historical facts; she paints a vivid picture of how colonialism has shaped Antigua's infrastructure, governance, and societal attitudes. She highlights how colonialism's remnants continue to affect the island's development, particularly in education and public services.

This theme resonates with broader postcolonial studies and invites readers to reflect on how many

formerly colonized nations face similar struggles. The systemic inequalities and cultural displacements Kincaid describes underscore the long-term impact of imperial control.

The Critique of Tourism

In *"A Small Place"*, tourism is not presented as a benign or purely economic activity. Instead, Kincaid offers a searing critique of how tourists often arrive with a sanitized, romanticized view of the Caribbean, ignoring the harsh realities faced by locals. She challenges the reader to consider how tourist dollars flow into corrupt governments rather than improving the lives of ordinary Antiguans.

This perspective is particularly relevant for travelers interested in ethical tourism. Kincaid's reflections push for greater awareness and responsibility when visiting places with complex histories and ongoing social issues.

Identity and Cultural Memory

Kincaid's writing also delves into the nuances of identity in a postcolonial society. She explores how Antiguans navigate their sense of self amid the influences of colonial history and globalization. The tension between embracing local heritage and dealing with imposed cultural narratives is a recurring motif.

Readers interested in Caribbean literature or identity studies will find Kincaid's insights compelling. Her narrative style blends personal anecdote with sharp social commentary, enriching the discussion about how history and culture intertwine.

The Writing Style and Narrative Approach in "A Small Place"

Jamaica Kincaid's style in *A Small Place* is distinctive, blending lyrical prose with a confrontational tone. The book feels almost like a conversation with the reader, making it accessible yet thought-provoking.

Engaging the Reader Through Direct Address

Kincaid often addresses the reader directly, which creates an intimate and sometimes challenging experience. This technique breaks down barriers, inviting the reader to confront uncomfortable truths rather than passively consume information. It's a powerful way of making the themes more immediate and personal.

Blurring Genre Lines

While *A Small Place* is often categorized as a memoir or travel essay, it transcends simple genre definitions. It incorporates elements of history, cultural critique, and personal reflection. This hybrid form allows Kincaid to explore her subjects from multiple angles, offering a richer, more nuanced understanding.

Why "A Small Place" Remains Relevant Today

Despite being published in 1988, *A Small Place* by Jamaica Kincaid remains strikingly relevant, especially in discussions about global inequality, tourism, and postcolonial identity.

Globalization and Tourism

In today's world, tourism is a multi-billion-dollar industry, with many destinations facing challenges

similar to those Kincaid describes. The book encourages travelers to think critically about their impact and consider the ethical dimensions of their visits. It's a reminder that behind every postcard-perfect location lies a complex social reality.

Continued Postcolonial Challenges

Many countries around the world still grapple with the legacies of colonialism. Kincaid's insights provide a framework to understand how historical injustices can shape modern governance, education, and social structures. For students, activists, and scholars, **A Small Place** offers a compelling case study in the ongoing effects of imperialism.

Tips for Reading and Engaging with "A Small Place"

If you're planning to read **A Small Place** by Jamaica Kincaid, here are some suggestions to deepen your understanding and appreciation:

- **Research Antigua's history:** Having some background knowledge on Antigua's colonial past and independence movement can enhance your grasp of the text's references.
- **Reflect on your own travel experiences:** Consider how tourism impacts the places you visit. Kincaid's critique invites personal reflection on ethical travel.
- **Explore related Caribbean literature:** Reading other works by Kincaid or authors like Derek Walcott and Edwidge Danticat can broaden your perspective on Caribbean identity and postcolonial themes.
- **Discuss the book with others:** Engaging in conversations or book clubs can reveal multiple interpretations and deepen your critical thinking.

Impact of "A Small Place" on Caribbean Literature and Beyond

The influence of *"A Small Place"* extends far beyond Antigua's shores. Jamaica Kincaid's fearless voice has contributed significantly to Caribbean literature and postcolonial discourse.

Shaping Postcolonial Narrative

Kincaid's work is often cited in academic circles for its unapologetic examination of colonial legacies. She challenges sanitized or nostalgic views of the Caribbean, insisting on a narrative that includes pain, anger, and resistance. This has paved the way for more honest and complex storytelling in the region.

Inspiring Activism and Awareness

By exposing the realities behind tourism and corruption, Kincaid's book has inspired activists and readers worldwide to advocate for social justice and ethical engagement with formerly colonized nations. Her work encourages a critical examination of power dynamics that remain relevant in many global contexts.

Reading *"A Small Place"* by Jamaica Kincaid is not just an intellectual exercise; it's an invitation to empathy, awareness, and a deeper understanding of how history shapes contemporary life. Whether you're a literature enthusiast, a traveler, or someone interested in social justice, this book offers a profound and unforgettable journey.

Frequently Asked Questions

What is the main theme of 'A Small Place' by Jamaica Kincaid?

The main theme of 'A Small Place' is the critique of colonialism and its lasting effects on Antigua, highlighting the exploitation and corruption that have shaped the island's history and present.

How does Jamaica Kincaid structure 'A Small Place' to convey her message?

Kincaid uses a direct and confrontational narrative style, blending personal reflection with historical and political commentary to engage the reader and emphasize the impact of colonialism on Antigua.

What role does tourism play in 'A Small Place'?

Tourism is portrayed as a symbol of economic dependency and neocolonial exploitation, where tourists are often oblivious to the island's troubled history and the hardships faced by its inhabitants.

How does 'A Small Place' address the concept of identity?

The book explores how colonialism has affected Antiguan identity, causing a complex relationship with the past and present, as well as a struggle to reclaim cultural pride and autonomy.

Why is 'A Small Place' considered an important postcolonial work?

It is considered important because it provides a powerful, personal perspective on the consequences of colonialism, challenges Western narratives, and calls for awareness and change regarding historical injustices in the Caribbean.

Additional Resources

A Critical Exploration of **A Small Place** by Jamaica Kincaid

a small place by jamaica kincaid stands as a poignant and incisive work that confronts the lingering effects of colonialism and the complexities of postcolonial identity. This short prose piece, often categorized as a memoir, essay, or travelogue, transcends simple literary classification through its sharply critical examination of Antigua, Kincaid's homeland. Through vivid narrative and unapologetic critique, Kincaid delves into the socio-political and historical realities of a Caribbean island grappling with the aftermath of imperialism and tourism.

Unpacking **A Small Place by Jamaica Kincaid**: A Multifaceted Critique

At its core, **A Small Place by Jamaica Kincaid** serves as both a personal reflection and a searing indictment of colonial legacies. The narrative voice is unflinchingly direct, addressing an imagined tourist reader and laying bare the contradictions between the picturesque image Antigua presents and the harsh truths beneath its surface. Kincaid's writing style blends lyrical prose with biting satire, creating a tension that compels readers to reconsider their perspectives on travel, history, and power.

Postcolonial Themes and Historical Context

The book's exploration of colonialism is neither abstract nor academic; rather, it is grounded in Kincaid's intimate knowledge of Antigua's transformation from a colonial outpost to an independent nation. Readers encounter a critical account of British colonial administration, its exploitative infrastructure, and the enduring social inequalities left in its wake. Kincaid meticulously documents how the remnants of colonial rule continue to influence political corruption, economic disparities, and cultural identity on the island.

One of the distinctive features of **A Small Place** is its layered narrative approach. The text oscillates between the past and present, juxtaposing the colonial era's physical and psychological imprints with contemporary Antigua's struggles. This temporal fluidity strengthens the book's argument that history is not a closed chapter but an ongoing reality shaping the island's current condition.

The Tourist Gaze and Its Implications

Kincaid's critique extends beyond colonial history to the tourism industry, which she portrays as a modern form of neo-colonialism. The "tourist gaze" is dissected as a superficial lens through which visitors perceive Antigua – focusing on luxury resorts, pristine beaches, and sanitized cultural experiences. Kincaid challenges this commodification of place, emphasizing how tourism masks the poverty, corruption, and neglect endured by local residents.

This perspective invites readers to reflect on ethical tourism and the responsibilities of visitors to understand the socio-political realities of their destinations. Kincaid's approach is deliberately provocative, often employing irony and direct address to unsettle complacent attitudes toward travel. In this way, **A Small Place** functions as a critical call for awareness and accountability within global tourism practices.

Literary Techniques and Narrative Voice

Jamaica Kincaid's narrative style in **A Small Place** is characterized by its conversational tone and rhetorical force. The use of second-person pronouns directly implicates the reader, fostering an immersive experience that blurs the boundaries between narrator and audience. This stylistic choice serves a dual purpose: it personalizes the critique while also universalizing the issues raised.

Kincaid's prose is economical yet evocative, employing vivid imagery and sharp contrasts to illustrate her points. The text's structure is deliberately fragmented, mirroring the disjointed, often contradictory realities of Antigua itself. This fragmentation challenges conventional narrative coherence, compelling

readers to actively engage with the complexities of postcolonial identity and history.

Juxtaposition of Beauty and Brutality

Throughout **A Small Place**, Kincaid contrasts the island's natural beauty with the brutal history and ongoing hardships faced by its inhabitants. This juxtaposition is a recurring motif that underscores the tension between appearance and reality. Antigua's idyllic landscapes become a metaphor for the deceptive allure of colonial narratives and tourist fantasies.

Such contrasts also highlight the broader themes of memory and erasure. Kincaid suggests that the island's aesthetic appeal often obscures the systemic injustices and cultural dislocations inflicted by colonialism and perpetuated by postcolonial governance. This thematic layering enriches the reader's understanding of the complexities embedded in place, identity, and history.

Impact and Reception of **A Small Place**

Since its publication, **A Small Place** by Jamaica Kincaid* has garnered significant attention from literary critics, postcolonial scholars, and readers worldwide. The work's candid critique of colonialism and tourism has sparked debates about representation, voice, and the ethics of storytelling. Kincaid's unapologetic tone and refusal to romanticize the Caribbean experience distinguish the book within both Caribbean literature and travel writing genres.

Strengths and Limitations

Among the strengths of **A Small Place** is its ability to provoke critical reflection without resorting to polemics or didacticism. Kincaid's nuanced portrayal of Antigua's challenges encourages empathy and understanding, even as it confronts uncomfortable truths. The work's brevity and poetic intensity also

contribute to its enduring appeal and accessibility.

However, some readers and critics have noted that the book's confrontational style may alienate those unfamiliar with postcolonial discourse or those with a vested interest in the tourism industry. The personal and accusatory tone, while powerful, can be perceived as polarizing, limiting its reach among broader audiences.

Comparative Context

When situated alongside other postcolonial texts, *A Small Place* shares thematic resonance with works like Edward Said's *Culture and Imperialism* and Frantz Fanon's *The Wretched of the Earth*. Yet, Kincaid's unique contribution lies in her fusion of personal narrative with cultural critique, providing an insider's perspective that is both intimate and expansive.

The book also aligns with contemporary discussions about sustainable tourism and cultural preservation. In an era marked by increased global travel and heightened awareness of cultural commodification, *A Small Place* offers a prescient examination of the tensions inherent in these dynamics.

Relevance in Contemporary Discourse

More than three decades after its initial publication, *A Small Place* by Jamaica Kincaid continues to resonate amid ongoing conversations about colonial legacies and tourism's impact on local communities. The rise of heritage tourism, debates over cultural appropriation, and movements toward decolonization in education and public memory make Kincaid's insights increasingly pertinent.

Her work challenges readers, especially travelers, to reconsider their role in perpetuating or dismantling systems of inequality. By foregrounding the voices and experiences of those historically marginalized, *A Small Place* contributes to a more nuanced understanding of place, power, and

responsibility.

In essence, Jamaica Kincaid's *A Small Place* remains a vital text for those seeking to engage critically with the intertwined histories of empire, identity, and cultural representation. Its enduring relevance underscores literature's power to illuminate complex social realities and inspire deeper reflection on our collective past and present.

a small place by jamaica kincaid: *A Small Place* Jamaica Kincaid, 2000-04-28 A brilliant look at colonialism and its effects in Antigua--by the author of *Annie John* If you go to Antigua as a tourist, this is what you will see. If you come by aeroplane, you will land at the V. C. Bird International Airport. Vere Cornwall (V. C.) Bird is the Prime Minister of Antigua. You may be the sort of tourist who would wonder why a Prime Minister would want an airport named after him--why not a school, why not a hospital, why not some great public monument. You are a tourist and you have not yet seen . . . So begins Jamaica Kincaid's expansive essay, which shows us what we have not yet seen of the ten-by-twelve-mile island in the British West Indies where she grew up. Lyrical, sardonic, and forthright by turns, in a Swiftian mode, *A Small Place* cannot help but amplify our vision of one small place and all that it signifies.

a small place by jamaica kincaid: The Post-colonial Studies Reader Bill Ashcroft, Gareth Griffiths, Helen Tiffin, 1995 *The Post-Colonial Studies Reader* is the most comprehensive selection of key texts in post-colonial theory and criticism yet compiled. This collection covers a huge range of topics, featuring nearly ninety of the discipline's most widely read works. The Reader's 90 extracts are designed to introduce the major issues and debates in the field of post-colonial literary studies. This field itself, however, has become so varied that no collection of readings could encompass every voice which is now giving itself the name post-colonial. The editors, in order to avoid a volume which is simply a critical canon, have selected works representing arguments with which they do not necessarily agree, but rather which above all stimulate discussion, thought and further exploration. Post-colonial theory has occurred in all societies into which the imperial force of Europe has intruded, though not always in the official form of theoretical text. Like the description of any other field the term has come to mean many things, but this volume hinges on one incontestable phenomenon: the historical fact of colonialism, and the palpable consequences to which this phenomenon gave rise. The topic involves talk about experience of various kinds: migration, slavery, suppression, resistance, representation, difference, race, gender, place, and reaction to the European influence, and about the fundamental experiences of speaking and writing by which all these come into being. In compiling this reader, the editors have sought to stimulate people to ask: How might a genuinely post-colonial literary enterprise proceed? The fourteen sections include:

Issues and Debates; Universality and Difference; Textual Representation and Resistance; Postmodernism and Post-Colonialism; Nationalism; Hybridity; Ethnicity and Indigeneity; Feminism and Post-Colonialism; Language; The Body and Performance; History; Place; Education; and Production and Consumption. Contributors include many of the leading post-colonial theorists and critics--such as Franz Fanon, Chinua Achebe, Gayatri Chakravorty Spivak, Ngugi wa Thiong'o, Homi Bhabha, Derek Walcott, Edward Said, and Trinh T. Minh-ha--in addition to a number of the discourse's newer voices. The Post-Colonial Studies Reader will prove an authoritative compilation, representing an invaluable contribution to the study of post-colonial theory and criticism.

a small place by jamaica kincaid: A Small Place in Galilee Zvi Sobel, 1993 Today, however, this rural village has become a microcosm of Israeli society at large, reflecting its social, religious, economic, ethnic, and ideological conflicts as well as the competing claims to its national history, memory, identity, and founding myths. The dynamic interaction of the diverse components of this complex society is brought into bold relief in this lively and illuminating book.

a small place by jamaica kincaid: A Small Place (SparkNotes Literature Guide) SparkNotes, 2014-08-12 A Small Place (SparkNotes Literature Guide) by Jamaica Kincaid Making the reading experience fun! Created by Harvard students for students everywhere, SparkNotes is a new breed of study guide: smarter, better, faster. Geared to what today's students need to know, SparkNotes provides: *Chapter-by-chapter analysis *Explanations of key themes, motifs, and symbols *A review quiz and essay topics Lively and accessible, these guides are perfect for late-night studying and writing papers

a small place by jamaica kincaid: A History of Literature in the Caribbean: English- and Dutch-speaking countries Albert James Arnold, Julio Rodríguez-Luis, J. Michael Dash, 2001-01-01 For the first time the Dutch-speaking regions of the Caribbean and Suriname are brought into fruitful dialogue with another major American literature, that of the anglophone Caribbean. The results are as stimulating as they are unexpected. The editors have coordinated the work of a distinguished international team of specialists. Read separately or as a set of three volumes, the History of Literature in the Caribbean is designed to serve as the primary reference book in this area. The reader can follow the comparative evolution of a literary genre or plot the development of a set of historical problems under the appropriate heading for the English- or Dutch-speaking region. An extensive index to names and dates of authors and significant historical figures completes the volume. The subeditors bring to their respective specialty areas a wealth of Caribbeanist experience. Vera M. Kutzinski is Professor of English, American, and Afro-American Literature at Yale University. Her book *Sugar's Secrets: Race and The Erotics of Cuban Nationalism*, 1993, treated a crucial subject in the romance of the Caribbean nation. Ineke Phaf-Rheinberger has been very active in Latin American and Caribbean literary criticism for two decades, first at the Free University in Berlin and later at the University of Maryland. The editor of *A History of Literature in the Caribbean*, A. James Arnold, is Professor of French at the University of Virginia, where he founded the New World Studies graduate program. Over the past twenty years he has been a pioneer in the historical study of the Négritude movement and its successors in the francophone Caribbean.

a small place by jamaica kincaid: Island Paradise Melanie A. Murray, 2009 A colonial discourse has perpetuated the literary notion of islands as paradisaic. This study explores how the notions of island paradise have been represented in European literature, the oral and literary indigenous traditions of the Caribbean and Sri Lanka, a colonial literary influence in these islands, and the literary experience after independence in these nations. Persistent themes of colonial narratives foreground the aesthetic and ignore the workforce in a representation of island space as idealized, insular, and vulnerable to conquest; an ideal space for management and control. English landscape has been replicated in islands through literature and in reality - the 'Great House' being an ideological symbol of power. *Island Paradise: The Myth* investigates how these entrenched notions of paradise, which islands have traditionally represented metonymically, are contested in the works of four postcolonial authors: Jamaica Kincaid, Lawrence Scott, Romesh Gunasekera, and Jean

Arasanayagam, from the island nations of the Caribbean and Sri Lanka. It analyzes texts which focus on gardens, island space, and houses to examine how these motifs are used to re-vision colonial/contested sites. This book examines the relationship between landscape and identity and, with reference to Homi K. Bhabha, considers how these writers offer an alternative space for negotiating the ambivalence of hybridity.

a small place by jamaica kincaid: Borderwork Margaret R. Higonnet, 1994 The first book to assess the impact of feminist criticism on comparative literature, *Borderwork* recharts the intellectual and institutional boundaries on that discipline and calls for the contextualization of the study of comparative literature within the areas of discourse, culture, ideology, race, and gender.

a small place by jamaica kincaid: Black Women, Identity, and Cultural Theory Kevin Everod Quashie, 2004 Ultimately moves beyond these to propose a new cultural aesthetic that aims to center black women and their philosophies. Book jacket.

a small place by jamaica kincaid: In Praise of New Travelers Isabel Hoving, 2001 Approaching postcolonial theory through cultural analysis, this book offers an accessible and concrete appraisal of current developments in postcolonial criticism. Detailed readings of a range of Anglophone Caribbean migrant women's texts from the late 1980s and 1990s lead to sharp insights into three issues that are crucial to an understanding of the field: place, voice, and silence. The discussion of these issues allows us to trace current feminist, postmodern, and postcolonial debates about the nature of the speaking subject, as it is emerging from today's postcolonial cultural practices. Postcolonial criticism often understands this subject as hybrid and multiple. This book shows how the specifics of this multiplicity must be acknowledged through analysis of the power structures and the violence through which this multiple subject is established. The book is also a consistent inquiry into reading positions. The argument about the differences between postcolonialist, black and Caribbean feminist, white feminist, and postmodern criticism is conducted as a discussion about the effects, insights, and blindneses produced by these different ways of reading Caribbean migrant women's writing. Scrutinizing the grain of these texts encourages us to move beyond the kind of general statements for which postcolonial theory has been severely criticized. The author also extends her critique of reading positions to issues of methodology, using these approaches to direct her interpretation. Narratology is supplemented by an analysis of the interdiscursive processes through which texts are created, and psychoanalytic concepts are used to explore the ambiguous merits of postcolonial reading. Above all, *In Praise of New Travelers* celebrates the vigorous, subversive, and liberating creativity of an accomplished generation of Caribbean migrant women writers.

a small place by jamaica kincaid: Postcolonial Travel Writing J. Edwards, R. Graulund, 2010-11-10 With its inclusion of original essays challenging the view of travel writing as a Eurocentric genre, this book will stand as a benchmark study of future inquiries in the field. It will revitalize the critical debate, sparking a much needed rethinking of a vibrant and highly popular but also volatile genre that has seen many changes in recent years.

a small place by jamaica kincaid: An Analysis of Jamaica Kincaid's a Small Place Giorgia Scribellito, 2014-07-31 This book analyses critically Jamaica Kincaid's book *A Small Place*. It considers the biography of the author, the history of Antigua and literature by Caribbean women. It also analyses the themes of the book and it situates them in the context of Caribbean and postcolonial literature. It also analyses the Language used by Kincaid and its meaning. It is really an analysis of Kincaid's book and of its importance for postcolonial, Caribbean and women's studies literature. The main themes of the book are Caribbean women, history, colonialism and postcolonialism.

a small place by jamaica kincaid: A New World Order Caryl Phillips, 2010-10-31 A New World Order ranges widely across the Atlantic World that Caryl Phillips has charted in his award winning novels and non-fiction during the course of the past twenty years. He begins this collection by establishing his belief that there is a 'new world order' of cultural plurality, one which is being promoted by the increasingly central role of the migrant and the refugee in the modern world. He goes on to reflect on the work of such seminal figures as Derek Walcott, V. S. Naipaul, J. M. Coetzee and Nadine Gordimer, Steven Spielberg, Linton Kwesi Johnson and Marvin Gaye. Phillips writes about the moment when St Kitts, the small island of his birth, became independent and talks about the role and responsibility of being a writer born into a postcolonial world who lives on both sides of the Atlantic. He then turns the spotlight on Britain speculating about his parents' migration in the late fifties, the continued legacy of racism, his own helpless loyalty to Leeds United, and his anxieties at feeling as though he both of, and not of, Britain.

a small place by jamaica kincaid: Understanding the Essay Patricia Foster, Jeff Porter, 2012-07-25 This is a book on how to read the essay, one that demonstrates how reading is inextricably tied to the art of writing. It aims to treat the essay with the close attention that has been given to other literary genres, and in doing so it suggests the beauty and depth of the form as a whole. At once personal appreciations and acute critical assessments, the pieces collected here broaden our perspective on the essay as a major literary art, tracing its history from William Hazlitt to Joan Didion.

a small place by jamaica kincaid: Resisting Alterities, 2021-11-01 This volume - of essays, poetry, and prose fiction - records various attempts to read the fracture zones created by the discursive strategy of a democratic imagination, where space and ideas are opened to new linguistic and literary insights. Pride of place is taken by essays on the Caribbean writer Wilson Harris which explore the implications of his awareness of a polyphony of coexistent voices that dislodges the hegemony of Cartesian dualism. This group of studies is rounded off with an interview with, and searching testimony by, Harris himself. The further contributions take up the implications of the encounter with 'alterity' (strangers, natives, barbarians) in order to underline not only wonder in the face of an unknown presence, or the 'shame' through which the subject discovers itself, but also the resentment involved in the creation of demonized Others. As the poet Charles Tomlinson states, "what we take to be otherness, alterity, can be readmitted into our literary consciousness and seen as part of the whole, causing us to readjust our awareness of the possibilities of English." These essays confirm that resistance is an interface of ambivalence between discursive worlds, encouraging us to read the "living network" of a text contrapuntally. Specific topics include Billy Bragg and New Labour, Schopenhauer in Britain, Objectivist poetry, gender and sexual identity (in Nancy Cunard; in Scottish fiction), multivocal discourse in South Africa, specific forms of alterity (in Jamaica Kincaid; in the poetry of Edwin Morgan; in allo-Semitism) and the deculturalizing perils of globalization.

a small place by jamaica kincaid: Caribbean Women Writers and Globalization Professor Helen C Scott, 2013-04-28 Caribbean Women Writers and Globalization offers a fresh reading of contemporary literature by Caribbean women in the context of global and local economic forces, providing a valuable corrective to much Caribbean feminist literary criticism. Departing from the trend towards thematic diasporic studies, Helen Scott considers each text in light of its national historical and cultural origins while also acknowledging regional and international patterns. Though the work of Caribbean women writers is apparently less political than the male-dominated literature

of national liberation, Scott argues that these women nonetheless express the sociopolitical realities of the postindependent Caribbean, providing insight into the dynamics of imperialism that survive the demise of formal colonialism. In addition, she identifies the specific aesthetic qualities that reach beyond the confines of geography and history in the work of such writers as Oonya Kempadoo, Jamaica Kincaid, Edwidge Danticat, Pauline Melville, and Janice Shinebourne. Throughout, Scott's persuasive and accessible study sustains the dialectical principle that art is inseparable from social forces and yet always strains against the limits they impose. Her book will be an indispensable resource for literature and women's studies scholars, as well as for those interested in postcolonial, cultural, and globalization studies.

a small place by jamaica kincaid: *Archaeology in Dominica* Mark W. Hauser, Diane Wallman, 2020-10-13 This volume examines the everyday lives of enslaved and free workers at Morne Patate, an eighteenth- and nineteenth-century Caribbean plantation, helping document the under-represented history of slavery and colonialism on the edge of the British Empire.

a small place by jamaica kincaid: *Research Methodologies for Auto/biography Studies* Kate Douglas, Ashley Barnwell, 2019-06-03 This collection of short essays provides a rigorous, rich, collaborative space in which scholars and practitioners debate the value of different methodological approaches to the study of life narratives and explore a diverse range of interdisciplinary methods. Auto/biography studies has been one of the most vibrant sub-disciplines to emerge in the humanities and social sciences in the past decade, providing significant links between disciplines including literary studies, languages, linguistics, digital humanities, medical humanities, creative writing, history, gender studies, education, sociology, and anthropology. The essays in this collection position auto/biography as a key discipline for modelling interdisciplinary approaches to methodology and ask: what original and important thinking can auto/biography studies bring to discussions of methodology for literary studies and beyond? And how does the diversity of methodological interventions in auto/biography studies build a strong and diverse research discipline? In including some of auto/biography's leading international scholars alongside emerging scholars, and exploring key subgenres and practices, this collection showcases knowledge about what we do when engaging in auto/biographical research. *Research Methodologies for Auto/biography Studies* offers a series of case studies that explore the research practices, reflective behaviours, and ethical considerations that inform auto/biographical research.

a small place by jamaica kincaid: *The Wiley Blackwell Anthology of African American Literature, Volume 2* Gene Andrew Jarrett, 2014-01-28 The Wiley Blackwell Anthology of African American Literature is a comprehensive collection of poems, short stories, novellas, novels, plays, autobiographies, and essays authored by African Americans from the eighteenth century until the present. Evenly divided into two volumes, it is also the first such anthology to be conceived and published for both classroom and online education in the new millennium. Reflects the current scholarly and pedagogic structure of African American literary studies Selects literary texts according to extensive research on classroom adoptions, scholarship, and the expert opinions of leading professors Organizes literary texts according to more appropriate periods of literary history, dividing them into seven sections that accurately depict intellectual, cultural, and political movements Includes more reprints of entire works and longer selections of major works than any other anthology of its kind This second volume contains a comprehensive collection of texts authored by African Americans from the 1920s to the present The two volumes of this landmark anthology can also be bought as a set, at over 20% savings.
