Articles on The Scarlet Letter: Exploring Themes, Symbolism, and Historical Context

Articles on the scarlet letter often delve into the rich layers of meaning embedded in Nathaniel Hawthorne's classic novel. This timeless work, published in 1850, continues to captivate readers and scholars alike due to its complex exploration of sin, guilt, and redemption in a Puritan society. Whether you're a student looking for insightful analysis or a literature enthusiast eager to deepen your understanding, articles on The Scarlet Letter provide valuable perspectives that illuminate the novel's enduring significance.

The Enduring Appeal of Articles on The Scarlet Letter

The Scarlet Letter is not just a story of adultery and punishment; it is a profound commentary on human nature, societal norms, and the struggle between individual identity and communal expectations. Articles on The Scarlet Letter often highlight why this 19th-century novel remains relevant today. Readers are drawn to Hawthorne's nuanced portrayal of Hester Prynne, who, despite being ostracized, demonstrates resilience and strength.

Moreover, articles on The Scarlet Letter frequently examine the novel's historical context. Hawthorne's depiction of Puritan Massachusetts offers a critical look at the rigid moral codes of the time, shedding light on how those codes affected individuals and shaped communities. Understanding this backdrop enriches readers' appreciation of the novel's themes and characters.

Common Themes Explored in Articles on The Scarlet Letter

Articles on The Scarlet Letter typically explore several key themes that define the novel's narrative and emotional depth:

- **Sin and Redemption:** Central to the novel is the concept of sin, not just as a moral failing but as a complex human experience. Articles often analyze how Hester's punishment and public shaming contrast with her inner strength and eventual redemption.
- **Guilt and Hypocrisy:** Many articles discuss the duality of guilt experienced by characters like Reverend Dimmesdale, whose hidden sin contrasts with Hester's visible scarlet letter. This theme exposes the hypocrisy within Puritan society.

- **Identity and Society:** The tension between personal identity and social expectations is a recurring topic. Articles on *The Scarlet Letter* investigate how Hester navigates her stigmatized identity and redefines herself beyond the label imposed on her.
- **Nature and the Supernatural:** Hawthorne's use of natural imagery and symbolic elements often appears in scholarly articles, highlighting how nature serves as a refuge and a contrast to the oppressive Puritan world.

Symbolism and Literary Devices in The Scarlet Letter

One of the reasons *The Scarlet Letter* inspires such a wealth of articles is its rich symbolism and use of literary techniques. Exploring these elements can deepen your understanding and appreciation of the novel.

The Scarlet Letter as a Symbol

The letter "A" that Hester is forced to wear is the most iconic symbol in the novel. Articles on *The Scarlet Letter* frequently examine its evolving meaning throughout the story. Initially, the "A" stands for "adulteress," marking Hester's sin and shame. However, as the narrative progresses, the symbol takes on more complex interpretations, including "able" and even a mark of resilience and identity. This transformation reflects the fluidity of meaning and challenges rigid moral judgments.

Use of Allegory and Irony

Hawthorne's writing is rich with allegorical elements, and many articles highlight how the novel operates on multiple levels. The Puritan community itself can be seen as an allegory for a society obsessed with outward appearances and moral rigidity. Irony plays a crucial role too, particularly in the contrast between public condemnation and private guilt experienced by characters like Dimmesdale and Chillingworth.

Nature Imagery

Nature often symbolizes freedom and truth in *The Scarlet Letter*. Articles often point out how scenes set in the forest differ dramatically from those in the town, representing a place where societal rules lose their grip and characters confront deeper truths. This use of setting as a literary device is a common focus in critical essays.

How to Approach Writing Your Own Articles on The Scarlet Letter

If you're interested in creating your own article on The Scarlet Letter, here are some tips to help you craft an engaging and insightful piece:

- **Choose a Clear Focus:** Given the novel's complexity, it's useful to narrow your topic. Whether it's character analysis, symbolism, or historical context, a focused approach makes your article more compelling.
- **Use Evidence from the Text:** Support your points with direct quotes and specific examples. This adds credibility and depth to your analysis.
- **Incorporate Scholarly Perspectives:** Referencing established literary critics or contrasting different interpretations can enrich your discussion and show a broader understanding.
- **Balance Summary and Analysis:** While some background is necessary, prioritize critical insight over mere plot summary to engage readers who may already be familiar with the story.
- **Engage with Themes Relatable Today:** Connecting the novel's themes to contemporary issues like gender roles, societal judgment, or personal identity can make your article resonate with modern audiences.

The Impact of The Scarlet Letter in Modern Culture

Articles on The Scarlet Letter also explore the novel's influence beyond literature. This story has permeated popular culture through film adaptations, theatrical productions, and even references in modern media. Discussions often focus on how interpretations of the novel's characters and themes have evolved over time.

For instance, modern retellings sometimes emphasize feminist readings of Hester Prynne, portraying her as a symbol of female empowerment and resistance against patriarchal oppression. These perspectives are gaining traction in academic articles and cultural critiques alike, highlighting the novel's adaptability and continued relevance.

Educational Importance

In many academic settings, articles on *The Scarlet Letter* are essential resources for students studying American literature. The novel's rich themes and historical significance make it a staple in curricula, and scholarly articles provide the critical tools necessary for deeper comprehension. Educators often recommend engaging with a variety of articles to understand multiple viewpoints and critical interpretations.

Controversies and Criticisms in Scholarly Articles

While overwhelmingly praised, *The Scarlet Letter* has also been the subject of criticism. Some articles question Hawthorne's portrayal of Puritan society as overly harsh or simplistic, while others debate the novel's moral lessons and character motivations. These critiques offer a balanced perspective and encourage readers to think critically about the text rather than accepting it at face value.

Exploring these controversies can be particularly fruitful for anyone writing articles on *The Scarlet Letter*, as they open up dialogue and deepen literary analysis.

Whether you're reading articles on *The Scarlet Letter* for research, teaching, or personal interest, you'll find that the novel's complexity invites endless exploration. Its themes of sin, identity, and societal judgment remain as compelling today as they were over 170 years ago, proving that great literature continues to inspire thought and discussion across generations.

Frequently Asked Questions

What is the central theme discussed in most articles about *The Scarlet Letter*?

The central theme often discussed is sin and redemption, focusing on how Hester Prynne's punishment and societal judgment reflect Puritan values and human resilience.

How do articles interpret the symbolism of the scarlet letter 'A'?

Articles commonly interpret the scarlet letter 'A' as a complex symbol representing adultery, shame, and social stigma, but also evolving into a symbol of strength and identity for Hester.

What insights do scholarly articles provide about Nathaniel Hawthorne's use of setting in The Scarlet Letter?

Scholarly articles highlight Hawthorne's use of the Puritan New England setting to explore themes of repression, hypocrisy, and moral rigidity, which amplify the novel's critique of society.

How do contemporary articles analyze the role of gender in The Scarlet Letter?

Contemporary articles often analyze gender by discussing Hester's experience as a woman punished for adultery, reflecting on feminist perspectives and the critique of patriarchal control.

What do literary articles say about the narrative style of The Scarlet Letter?

Literary articles note Hawthorne's use of a third-person omniscient narrator with a reflective and moralizing tone, which contributes to the novel's allegorical depth and thematic complexity.

How is The Scarlet Letter relevant to modern discussions on morality and judgment according to recent articles?

Recent articles argue that The Scarlet Letter remains relevant as it challenges readers to consider the consequences of societal judgment, the nature of sin, and the possibility of forgiveness.

What role do articles attribute to the character of Dimmesdale in The Scarlet Letter?

Articles often portray Dimmesdale as a symbol of internal guilt and hypocrisy, whose secret sin contrasts with Hester's public punishment, highlighting themes of hidden versus revealed sin.

How do articles address the historical context of The Scarlet Letter?

Articles discuss the historical context by examining Puritanical social norms, 17th-century colonial America, and how Hawthorne critiques the oppressive moral codes of that era.

Additional Resources

Articles on The Scarlet Letter: A Comprehensive Analysis of Themes, Symbolism, and Cultural Impact

Articles on the Scarlet Letter consistently explore the multifaceted layers of Nathaniel Hawthorne's seminal work, revealing its enduring relevance and complexity. Since its publication in 1850, *The Scarlet Letter* has inspired countless scholarly articles, literary critiques, and cultural analyses. These writings delve into the novel's exploration of sin, guilt, and redemption, while also examining its rich symbolism and historical context. For students, educators, and literary enthusiasts, articles on the Scarlet Letter serve as invaluable resources for understanding the narrative's depth and its place within American literature.

Exploring the Core Themes in Articles on The Scarlet Letter

One of the primary focuses of many articles on the Scarlet Letter is the intricate examination of the novel's central themes. Hawthorne's narrative is often interpreted as a meditation on the nature of sin and its consequences in a rigid Puritan society. The protagonist, Hester Prynne, embodies the tension between individual identity and societal judgment, a subject extensively analyzed in academic and literary critiques alike.

Sin and Redemption

Articles frequently dissect how Hawthorne portrays sin not as a purely moral failing but as a complex human experience. Hester's public shaming through the scarlet letter "A" becomes a symbol of both punishment and resilience. Literary analysts highlight how her transformation—from a figure of disgrace to one of strength—challenges the simplistic moral binaries of her community. This nuanced portrayal invites readers to reconsider the dynamics of guilt and forgiveness.

The Role of Hypocrisy and Judgment

Another recurring subject in articles on the Scarlet Letter is the theme of hypocrisy among the Puritan leaders, particularly Reverend Dimmesdale. Scholars often contrast Dimmesdale's concealed sin with Hester's public punishment to illustrate the destructive effects of hidden guilt and societal pretense. This duality raises broader questions about the nature of justice and the human capacity for hypocrisy.

Symbolism and Literary Devices Highlighted in Scholarly Articles

The Scarlet Letter is renowned for its rich use of symbolism, a feature that articles frequently emphasize to unpack the novel's deeper meanings. Hawthorne's symbolic language enriches the narrative, making it a favorite subject for literary analysis.

The Scarlet Letter as a Symbol

The letter "A" itself is a focal point in many articles. Initially representing "adultery," the symbol evolves throughout the story to signify "able" and even "angel" in certain contexts. This evolution is often cited as an example of Hawthorne's skill in using symbolism to reflect character development and societal change.

Nature and the Forest

Scholars also explore the contrasting settings of the oppressive Puritan town and the liberating forest. Articles on the Scarlet Letter highlight how the forest serves as a space of freedom and natural law, juxtaposed against the rigid moral codes of the town. This setting functions symbolically to represent the conflict between societal expectations and personal truth.

The Historical and Cultural Context in Articles on The Scarlet Letter

Understanding the historical and cultural backdrop of the novel is a common thread in many articles. Hawthorne's 19th-century perspective on 17th-century Puritan New England offers fertile ground for exploring themes of repression, authority, and social order.

Puritan Society and Its Influence

Articles often focus on how Puritanical beliefs shaped the characters' lives and the narrative's moral framework. The stringent social codes and religious dogma depicted in the novel are analyzed to reveal the broader implications for identity and freedom. This context helps readers grasp the gravity of Hester's punishment and the societal pressures that fuel the plot.

Hawthorne's Personal Reflections

Many articles on the Scarlet Letter incorporate biographical insights about Nathaniel Hawthorne, noting how his ancestors' involvement in the Salem witch trials may have influenced his critical view of Puritanism. This personal connection adds a layer of introspection to the novel, which is often discussed in literary reviews and academic papers.

Comparative Analyses and Adaptations Discussed in Articles

Beyond thematic and symbolic studies, articles on the Scarlet Letter frequently engage in comparative analyses with other literary works or explore its adaptations across different media.

Comparisons with Contemporary Works

Literary critics often compare The Scarlet Letter to contemporaneous novels that address themes of morality and social conformity, such as Herman Melville's works or other transcendentalist literature. These comparisons help situate Hawthorne's novel within a broader literary movement and highlight its unique contributions.

Film and Stage Adaptations

Numerous articles examine how The Scarlet Letter has been adapted into films, plays, and even operas. These critiques evaluate the fidelity of adaptations to the original text, the interpretive choices made by directors, and the cultural resonance of the story in various eras. The 1995 film adaptation, for instance, is often analyzed for its modernized portrayal of Hester and its reception among audiences and critics.

Educational Value and Contemporary Relevance

Articles on the Scarlet Letter also underscore the novel's enduring educational value. Its exploration of complex characters and moral dilemmas makes it a staple in high school and college curricula. Educators and scholars discuss strategies for teaching the novel to diverse audiences, emphasizing critical thinking and empathy.

Furthermore, the novel's themes of social ostracism, gender roles, and

personal integrity continue to resonate in contemporary discourse. Modern articles often link the narrative to ongoing conversations about identity, shame, and societal judgment, demonstrating the timeless nature of Hawthorne's work.

In sum, articles on the *Scarlet Letter* provide a multifaceted examination of one of American literature's most influential novels. Through thematic analysis, symbolic interpretation, historical context, and cultural critique, these writings enrich our understanding of Hawthorne's masterpiece and its lasting impact on readers and scholars alike.

articles on the scarlet letter: *The Threads of The Scarlet Letter* Richard Kopley, 2003 The Threads of The Scarlet Letter offers new discoveries regarding the origins of Hawthorne's masterpiece, as well as critical interpretations based on these discoveries. Relying on a blend of close reading, biographical analysis, and archival research, this book demonstrates anew the power of traditional scholarship. The Threads of The Scarlet Letter illuminates Hawthorne's transformation of Poe's celebrated tale The Tell-Tale Heart and Lowell's long-neglected poem A Legend of Brittany and, identifying the hitherto-unknown author of the seminal narrative The Salem Belle, investigates Hawthorne's brilliant borrowing from that novel as well. The present volume argues that Hawthorne repeatedly attenuated his sources, but also allowed sufficient detail to permit their recognition. Furthermore, this volume elaborates Hawthorne's reworking of formal traditions in The Scarlet Letter--traditions that importantly clarify the meaning of the whole. The Scarlet Letter is shown to be a complex rendering of man's fall and redemption, and a triumphant assertion of literary vocation. The Threads of The Scarlet Letter includes a useful bibliographical overview of the history of the study of the origins of Hawthorne's greatest work.

articles on the scarlet letter: The Scarlet Letter - Second Edition Nathaniel Hawthorne, 2004-10-28 Hawthorne's story of the disgraced Hester Prynne (who must wear a scarlet A as the mark of her adultery), of her illegitimate child, Pearl, and of the righteous minister Arthur Dimmesdale continues to resonate with modern readers. Set in mid-seventeenth-century Boston, this powerful tale of passion, Puritanism, and revenge is one of the foremost classics of American literature. This Broadview edition contains a selection of historical documents that include Hawthorne's writings on Puritanism, the historical sources of the story, and contemporary reviews of the novel. New to the second edition are an updated critical introduction and bibliography and, in the appendices, additional writings by Margaret Fuller, Elizabeth Cady Stanton, Henry James, and William Dean Howells.

articles on the scarlet letter: The Scarlet Letter Nathaniel Hawthorne, 2009-08 Published in 1850, THE SCARLET LETTER is considered Nathaniel Hawthorne's most famous novel-and the first quintessentially American novel in style, theme, and language. Set in 17th century Puritan Massachusetts, THE SCARLET LETTER centers around the travails of Hester Prynne, who gives birth to an illegitimate child and is quickly introduced to the ugliness, complexity, and ultimately the

strength of the human spirit. Though set in Puritan community centuries ago, the moral dilemmas of personal responsibility and consuming emotions of guilt, anger, loyalty and revenge presented in THE SCARLET LETTER are still timeless today.

articles on the scarlet letter: *The Scarlet Letter* Nathaniel Hawthorne, 2008-10-09 After a two-year absence a husband returns to find his wife wearing the scarlet 'A' for Adulteress on her breast. Determined to find her lover, he embarks on a destructive path of revenge. This edition uses the most authoritative text, with a wide-ranging critical introduction.

articles on the scarlet letter: *The Scarlet Letter and Other Writings (Second International Student Edition) (Norton Critical Editions)* Nathaniel Hawthorne, 2017-02 This perennially popular Norton Critical Edition has been revised to reflect the most current scholarly approaches to The Scarlet Letter—Hawthorne's most widely read novel—as well as to the five short prose works—"Mrs. Hutchinson," "Endicott and the Red Cross," "Young Goodman Brown," "The Minister's Black Veil," and "The Birth-mark"—that closely relate to the 1850 novel. This Second Norton Critical Edition also includes: · Revised and expanded explanatory footnotes, a new preface, and a note on the text by Leland S. Person. · Key passages from Hawthorne's notebooks and letters that suggest the close relationship between his private and public writings · Seven new critical essays by Brook Thomas, Michael Ryan, Thomas R. Mitchell, Jay Grossman, Jamie Barlowe, John Ronan, and John F. Birk. · A Chronology and revised and expanded Selected Bibliography.

articles on the scarlet letter: *The Scarlet Mob of Scribblers* Jamie Barlowe, 2000 Barlowe examines the causes and consequences of the continuing disregard for women's scholarship. To that end, she chronicles The Scarlet Letter's critical reception, analyzes the history of Hester Prynne as a cultural icon in literature and film, rereads the canonized criticism of the novel, and offers a new reading of Hawthorne's work by rescuing marginalized interpretations from the alternative canon of women critics.--BOOK JACKET.

articles on the scarlet letter: *The Scarlet Letter* Nathaniel Hawthorne, 2008-08 The Scarlet Letter. . articles on the scarlet letter: *The Complete Works of Nathaniel Hawthorne: Novels, Short Stories, Poetry, Essays, Letters and Memoirs (Illustrated Edition)* Nathaniel Hawthorne, 2024-01-06 The Complete Works of Nathaniel Hawthorne: Novels, Short Stories, Poetry, Essays, Letters and Memoirs (Illustrated Edition) offers an extensive compendium of the author's literary oeuvre, showcasing his mastery in weaving intricate narratives and profound themes that explore the human condition. Rich with symbolism and imbued with a moral complexity, Hawthorne's works evoke the tensions of sin and redemption, innocence and experience, against the backdrop of 19th-century America. This illustrated edition not only illuminates the text with visual artistry but enhances the reader's understanding of Hawthorne's psychological depth and philosophical inquiry. Nathaniel Hawthorne (1804-1864) was a critical figure in American literature, often associated with the Transcendental Movement yet markedly distinct in his exploration of darker themes. His heritage, marked by ancestry tied to the Puritanical roots of New England, provided a fertile ground for his fascination with guilt, the past, and moral ambiguity. Throughout his life, Hawthorne faced personal struggles, including economic hardships and the shadow of his family's legacy, which influenced his contemplative and sometimes melancholic writing style. For readers seeking to delve into the complexities of human nature and the moral quandaries that define our existence, this illustrated edition of Hawthorne's complete works serves as an essential resource. It invites aficionados of American literature, new readers, and scholars alike to engage deeply with Hawthorne's timeless explorations, leaving an indelible impression that resonates across

generations.

articles on the scarlet letter: *The Atlantic Monthly* , 1871

articles on the scarlet letter: *George Eliot's 'The Lifted Veil'* Franco Marucci, 2022-01-31 The negative historical judgment given to George Eliot's 'The Lifted Veil' amounts nowadays to a gross critical blunder, and in the last three decades the story has been firmly reinstated in Eliot's major canon. The premise of the present book is that George Eliot's oeuvre is a compact macrotext where themes, motifs, patterns and cultural and personal archetypes recur with variations, and that 'The Lifted Veil' functions as the linchpin of this oeuvre. A sequential approach to the story is authorized by the use of a mimetic enunciation that simulates a gradual 'definition' of events, places, and characters as they have appeared to the narrating 'I' in the course of time until the moment of the enunciation. Contextualizing 'The Lifted Veil' means placing it within Eliot's oeuvre and against the background of Victorian mid-century fiction; in a further meaning, seeing it as intersecting various contemporary genres and subgenres, such as that of the European and American 'literature of the veil', that of the archetypal icon of the femme fatale, that of Wilkie Collins's 'dead secret' novels. The most significant facet that critical literature on 'The Lifted Veil' has tended to overlook is however the encrypting of the experience of a failed religious conversion and the foreshadowing of the search for a spiritual and racial identity of Daniel Deronda, the hero of Eliot's final novel.

articles on the scarlet letter: View America as an axis of the world through movie stories Nomadsirius, 2023-11-24 Prologue. Through the historical narrative presented in the film, we gain insights into America, a pivotal force in the world. The stories of 46 U.S. presidents and 10 movies allow us to delve into the intense conflict between the silver and gold standards throughout American history. The Roman Empire serves as another pivotal force in the world, with its core bases shifting from Rome to Constantinople (Istanbul) in the Eastern Roman Empire, Frankfurt and Vienna in the Holy Roman Empire, London in England, and Washington in the United States since 751 B.C. A fierce battle for money, power, and honor ensues over the inheritance of the Roman legal system, involving key players like the Medici family (1382-1743), the Rothschild family, and the U.S. Federal Reserve. The United States, being the first country in the world to adopt a presidential system, faces skepticism from European politicians who believe this political experiment will fail within a few years. Despite expectations that a strong president may seek extended terms resembling royal politics, the United States establishes itself as a model country for democracy, with the presidential system providing the power to lead the world. From the first president, George Washington, onwards, a commitment to the constitutional promise of a limited term of office is strictly adhered to, and the presidential system takes root through the peaceful transfer of power via elections. The primary election system for various political offices prevents the tyranny of bribery and abuse of party power, ensuring a more democratic process. In contrast to the Eastern style of leadership characterized by boss-type interpersonal relationships, the U.S. presidential system relies on communication with voters to verify one's insight and judgment. The U.S. Federal Reserve, described as a global central bank created by Jews, is positioned as a temple of modern capitalism on the National Mall in Washington, D.C. It plays a crucial role in determining the economic conditions of the contemporary world, with key figures like Jerome Hayden Powell leading the institution.

articles on the scarlet letter: *The Entanglements of Nathaniel Hawthorne* Samuel Coale, 2011
The process of Hawthorne's scholarly canonization, and the ongoing critical and cultural discourse on his works. Nathaniel Hawthorne, celebrated in his own day for sketches that now seem sentimental, came only gradually to be fully appreciated for what his friend Herman Melville diagnosed as the power of blackness in his fiction - the complex moral grappling with sin and guilt. By the 1850s, Hawthorne had already been accepted into the American canon, and since then, his works - especially *The Scarlet Letter* -- have remained ubiquitous in American culture. Along with this has come an explosion of Hawthorne criticism, from New Criticism, New Historicism, and Cultural Studies to queer theory, feminist scholarship, and transatlantic criticism, that shows no signs of slowing. This book charts Hawthorne's canonization and the ongoing critical discourse, drawing on two senses of entanglement. First the sense from quantum physics, which allows us to see what were once seen as strict dualisms in Hawthorne as more complex relations where the poles of the would-be dualities play off of and affect each other; second, the sense of critics being tangled up in, caught up in, Hawthorne the man and his work and in previous critics' views of him. Charting the course of Hawthorne criticism as well as his place in popular culture, this book sheds light also on the culture in which his reception has occurred. Samuel Chase Coale is Professor of American Literature and Culture at Wheaton College, Norton, Massachusetts.

articles on the scarlet letter: *The Scarlet Letter* Nathaniel Hawthorne, 2011-03 Set in 17th-century Puritan Boston during the years 1642 to 1649, *The Scarlet Letter* tells the story of Hester Prynne, who conceives through an adulterous affair and struggles to create a new life of repentance and dignity. The story begins during the summer of 1642, near Boston, Massachusetts, in a Puritan village. A young woman, Hester Prynne, has been led from the town prison with her infant daughter in her arms. On the breast of her gown is a rag of scarlet *The Scarlet Letter* cloth that assumed the shape of a letter. It is the uppercase letter A. The *Scarlet Letter* A represents the act of adultery that she has committed, and it is to be a symbol of her sin-a badge of shame-for all to see. *The Scarlet Letter* was published as a novel in the spring of 1850 by Ticknor & Fields, beginning Hawthorne's most lucrative period as a writer. When he delivered the final pages to Fields in February 1850, Hawthorne said that some portions of the book are powerfully written but doubted it

would be popular. In fact, the book was an instant best-seller though, over fourteen years, it brought its author only \$1,500. Its initial publication brought wide protest from natives of Salem, who did not approve of how Hawthorne had depicted them in his introduction The Custom-House. A 2,500-copy second edition of The Scarlet Letter included a preface by Hawthorne dated March 30, 1850, that stated he had decided to reprint his introduction without the change of a word... The only remarkable features of the sketch are its frank and genuine good-humor... As to enmity, or ill-feeling of any kind, personal or political, he utterly disclaims such motives. The Scarlet Letter was one of the first mass-produced books in America. Into the mid-nineteenth century, bookbinders of home-grown literature typically hand-made their books and sold them in small quantities. The first mechanized printing of The Scarlet Letter, 2,500 volumes, sold out within ten days, and was widely read and discussed to an extent not much experienced in the young country up until that time.
