showdown in paris theater answers: Strolling Players of Empire Kathleen Wilson, 2022-12-01 Why did Britons get up a play wherever they went? Kathleen Wilson reveals how the performance of English theater and a theatricalized way of viewing the world shaped the geopolitics and culture of empire in the long eighteenth century. Ranging across the Atlantic, Indian and Pacific Oceans to encompass Kingston, Calcutta, Fort Marlborough, St. Helena and Port Jackson as well as London and provincial towns, she shows how Britons on the move transformed peripheries into historical stages where alternative collectivities were enacted, imagined and lived. Men and women of various ethnicities, classes and legal statuses produced and performed English theater in the world, helping to consolidate a national and imperial culture. The theater of empire also enabled non-British people to adapt or interpret English cultural traditions through their own performances, as Englishness also became a production of non-English peoples across the globe.

showdown in paris theater answers: *Ace in the Hole* Timothy J. Botti, 1996-06-21 Using newly released documents, the author presents an integrated look at American nuclear policy and diplomacy in crises from the Berlin blockade to Vietnam. The book answers the question why, when the atomic bomb had been used with such devastating effect against the Japanese Empire in 1945, American leaders put this most apocalyptic of weapons back on the shelf, never to be used again in anger. It documents the myopia of Potomac strategists in involving the U.S. in wars of attrition in Korea and Southeast Asia, marginal areas where American vital interests were in no way endangered. Despite the presence of hundreds, then thousands of nuclear bombs and warheads in the nation's stockpile, the greatest military weapon in history became politically impossible to use. And yet overwhelming nuclear superiority did serve its ultimate purpose in the Cold War. When American vital interests were threatened—over Berlin and Cuba—the Soviets backed down from confrontation. Despite errors in strategic judgment brought on by fear of Communist expansion, and in some cases outright incompetence, the ace in the hole proved decisive.
