autobiography of harivansh rai bachchan: Men at Home Gyanendra Pandey, 2024-12-27 In Men at Home, Gyanendra Pandey offers a detailed exploration of men's comportment and conduct in the home and the implications of their ambiguous commitment to this critical part of their lives. The

author draws on a wealth of archival materials—autobiographies, memoirs, fiction, and ethnographies—to situate Indian men firmly in the domestic world, underlining their dependence on the family and home. He investigates how men negotiate marriage, intimacy, and conjugality and focuses the effects of the humiliating and constant assertion of gender, caste, and class power in familial interactions. To uncover the nuances of these relationships, Pandey attends to the domestic commitments of upper-, middle-, and lower-class men across religion and caste. He considers issues of honor and shame, rights and responsibilities, citizenship and belonging through this exploration of how men across the subcontinent understand themselves in and beyond their domestic relationships. As much as it is a book about masculinity and conjugality, this is a book about Indian modernity, nationalism, and society as seen from the location of men in the home.

autobiography of harivansh rai bachchan: *The Autobiography of Sant Bahinabai*

Chandrakant Kaluram Mhatre, 2023-01-02 Sant Bahinabai (1628-1700) - सांत बाहिनाबाई in Marathi - was just three years old when she was married off to a 30 year old widower. Here starts a long series of hardships that Bahinabai had to brave out for the better part of her life. Hardly had she turned seven, when she had to leave their native place along with her family and go in search of livelihood from village to village and town to town, and that too on foot. No one knew when or where the next meal would be. To worsen the matters, Bahinabai's short tempered husband accompanied her family during these seemingly endless journeys and Bahinabai was subjected to the most brutal form of domestic violence at the hands of her husband from a very tender age (even when she was three months pregnant). This travesty of a married life continued for almost a decade and her birth in the so-called higher caste did next to nothing to alleviate Bahinabai's misery, just like millions of women before and after her. What makes Bahinabai's sufferings significant is the fact that she gave them a voice in her poems and became the first woman autobiographer of India. Her autobiography ranks very high among those works that document the lives of survivors of domestic violence, apart from being one of the oldest, if not THE oldest, such an account in the history of world literature. With its uninhibited attacks on patriarchy, Bahinabai's autobiography (सांत बाहिनाबाई यांचे आत्मचरित्र) predates all the feminist texts in the world. This book also contains Bahinabai's translation of Vajrasuchi Upanishad (वज्रसूची उपनिषद्), which makes her the first woman translator of India.

autobiography of harivansh rai bachchan: *The Oxford Guide to Literature in English*

Translation Peter France, 2000 This guide highlights the place of translation in our culture, encouraging awareness of the process of translating and the choices involved, making the translator more 'visible'. Concentrating on major writers and works, it covers translations out of many languages, from Greek to Hungarian, Korean to Turkish. For some works (e.g. Virgil's Aeneid) which have been much translated, the discussion is historical and critical, showing how translation has evolved over the centuries and bringing out the differences between versions. Elsewhere, with less familiar literatures, the Guide examines the extent to which translation has done justice to the range of work available.

autobiography of harivansh rai bachchan: *In the Afternoon of Time*

Harivansh Rai Bachchan, 2001-07-19 Hindi Litterateur Harivansh Rai Bachchan was born in Allahabad in 1907, and acquired immense popularity in the 1930s through Madhushala, a long poem inspired by the Rubaiyat of Omar Khayyam. Some three decades later, by now well established as a major figure on the Hindi literary scene, Bachchan wrote the first of four volumes of his autobiography, which was to earn widespread praise from critics and readers alike. In the Afternoon of Time is creative abridgement of these four volumes, translated into English for the first time. These intensely personal memoirs span several generations, tracing the history of Bachchan's forebears, who came to live in Allahabad from a small village in Uttar Pradesh. With a bittersweet tone that recalls the lyricism of Madhushala, the author draws a portrait of provincial life in the first decades of the century, and describes with remarkable candour the struggles, joys and heartbreak of his early life. The narrative dwells at length on the death of his young wife and the ensuing trauma; remarriage, and a teaching assignment in the English department of Allahabad University; his Ph.D work on W.B. Yeats in Cambridge; a long stint as Hindi officer in the Ministry of External Affairs; an interlude in

the Rajya Sabha; and the meteoric rise of his elder son Amitabh in the world of Hindi cinema. In his brilliant translation, Rupert Snell has succeeded in communicating the power and intensity that made the original work a classic in the genre of autobiographical writing in India.

autobiography of harivansh rai bachchan: Revolutionary Desires Ania Loomba, 2018-07-24

Revolutionary Desires examines the lives and subjectivities of militant-nationalist and communist women in India from the late 1920s, shortly after the communist movement took root, to the 1960s, when it fractured. This close study demonstrates how India's revolutionary women shaped a new female – and in some cases feminist – political subject in the twentieth century, in collaboration and contestation with Indian nationalist, liberal-feminist, and European left-wing models of womanhood. Through a wide range of writings by, and about, revolutionary and communist women, including memoirs, autobiographies, novels, party documents, and interviews, Ania Loomba traces the experiences of these women, showing how they were constrained by, but also how they questioned, the gendered norms of Indian political culture. A collection of carefully restored photographs is dispersed throughout the book, helping to evoke the texture of these women's political experiences, both public and private. Revolutionary Desires is an original and important intervention into a neglected area of leftist and feminist politics in India by a major voice in feminist studies.

autobiography of harivansh rai bachchan: Chutnefying English Rita Kothari, Rupert Snell,

2011 Contributed articles. Something has happened to English; and something has happened to Hindi. These two languages, widely spoken across India, need to be understood anew through their 'hybridization' into Hinglish -- a mixture of Hindi and English that has begun to make itself heard everywhere -- from daily conversation to news, films, advertisements and blogs. How did this

popular form of urban communication evolve? Is this language the new and trendy idiom of a youthful population no longer competent in either English or Hindi? Or is it an Indianized version of a once-colonial language, claiming its legitimate place alongside India's many bhashas? Chutnefying English: The Phenomenon of Hinglish, the first book on the subject, takes a serious look at this widespread phenomenon of our times which has pervaded every aspect of our daily lives. It addresses the questions that many speakers of both languages ask time and again: should Hinglish be spurned as the bastard offspring of its two parent languages, or welcomed as the natural and legitimate result of their long-term cohabitation? Leading scholars from literature, cultural studies, translation, cinema and new media come together to offer a collection of essays that is refreshingly new in thought and content.--Page 2 of cover.

autobiography of harivansh rai bachchan: Writer, Rebel, Soldier, Lover Akshaya Mukul, 2022-07-24 An outstanding literary biography AMITAV GHOSH Mukul writes beautifully, and brings to life a man who has often been misunderstood BENJAMIN MOSER This book is a remarkable contribution to the world of Indian letters: ANNIE ZAIDI Sachchidanand Hirananda Vatsyayan 'Agyeya' is unarguably one of the most remarkable figures of Indian literature. From his revolutionary youth to acquiring the mantle of a (highly controversial) patron saint of Hindi literature, Agyeya's turbulent life also tells a history of the Hindi literary world and of a new nation-spanning as it does two world wars, Independence and Partition, and the building and fraying of the Nehruvian state. Akshaya Mukul's comprehensive and unflinching biography is a journey into Agyeya's public, private and secret lives. Based on never-seen-before archival material-including a mammoth trove of private papers, documents of the CIA-funded Congress for Cultural Freedom and colonial records of his years in jail-the book delves deep into the life of the nonconformist poet-novelist. Mukul reveals Agyeya's revolutionary life and bomb-making skills, his CIA connection, a secret lover, his intense relationship with a first cousin, the trajectory of his political positions, from following M.N. Roy to exploring issues dear to the Hindu right, and much more. Along the way, we get a rare peek into the factionalism and pettiness of the Hindi literary world of the twentieth century, and the wondrous and grand debates which characterized that milieu. Writer, Rebel, Soldier, Lover features a formidable cast of characters: from writers like Premchand, Phanishwarnath Renu, Raja Rao, Mulk Raj Anand and Josephine Miles to Prime Minister Jawaharlal Nehru, revolutionary Chandra Shekhar Azad and actor Balraj Sahni. And its landscapes stretch from British jails, an intellectually robust Allahabad and modern-day Delhi to monasteries in Europe, the homes of Agyeya's friends in the Himalayas and universities in the US. This book is a magnificent examination of Agyeya's civilizational enterprise. Ambitious and scholarly, Writer, Rebel, Soldier, Lover is also an unputdownable, whirlwind of a read.

autobiography of harivansh rai bachchan: Literary Sentiments in the Vernacular Charu Gupta, Laura Brueck, Hans Harder, Shobna Nijhawan, 2021-12-14 This collection brings together nine essays, accompanied by nine short translations that expand the assumptions that have typically framed literary histories, and creatively re-draws their boundaries, both temporally and spatially. The essays, rooted in the humanities and informed by interdisciplinary area studies, explore multiple linkages between forms of print culture, linguistic identities, and diverse vernacular literary spaces in colonial and post-colonial South Asia. The accompanying translations—from Bengali, Hindi, Marathi, Tamil, and Urdu—not only round out these scholarly explorations and comparisons, but invite readers to recognise the assiduous, intimate, and critical labour of expanding access to the vernacular archive, while also engaging with the challenges—linguistic, cultural, and political—of rendering vernacular articulations of gendered experience and embodiment in English. Collectively, the essays and translations foreground complex and politicised expressions of gender and genre in fictional and non-fictional print materials and thus draw meaningful connections between the

vernacular and literature, the everyday and the marginals, and gender and sentiment. They expand vernacular literary archives, canons and genealogies, and push us to theorise the nature of writing in South Asia. *Literary Sentiments in the Vernacular* is a significant new contribution to South Asian literary history and gender studies, and will be a great resource for academics, researchers, and advanced students of History, Literature, Cultural Studies, Politics, and Sociology. The chapters in this book were originally published as a special issue of *South Asia: Journal of South Asian Studies*.

autobiography of harivansh rai bachchan: *Literary Cultures in History* Sheldon Pollock, 2003-05-19 A grand synthesis of unprecedented scope, *Literary Cultures in History* is the first comprehensive history of the rich literary traditions of South Asia. Together these traditions are unmatched in their combination of antiquity, continuity, and multicultural complexity, and are a unique resource for understanding the development of language and imagination over time. In this unparalleled volume, an international team of renowned scholars considers fifteen South Asian literary traditions—including Hindi, Indian-English, Persian, Sanskrit, Tibetan, and Urdu—in their full historical and cultural variety. The volume is united by a twofold theoretical aim: to understand South Asia by looking at it through the lens of its literary cultures and to rethink the practice of literary history by incorporating non-Western categories and processes. The questions these seventeen essays ask are accordingly broad, ranging from the character of cosmopolitan and vernacular traditions to the impact of colonialism and independence, indigenous literary and aesthetic theory, and modes of performance. A sophisticated assimilation of perspectives from experts in anthropology, political science, history, literary studies, and religion, the book makes a landmark contribution to historical cultural studies and to literary theory in addition to the new perspectives it offers on what literature has meant in South Asia.
