Gillie Da Kid reinforced this by sharing how he leveraged digital platforms to grow his audience and maintain creative control. His experience underscores the shift from relying solely on record labels to embracing direct fan engagement through social media and content creation.

Entrepreneurship and Diversification

The conversation also touched on how hip-hop artists today benefit from diversifying their income streams. Mase and Gillie both highlighted ventures outside of music — from fashion lines to media projects — as essential for long-term success.

mase inter with gillie da kid: In the Arms of Baby Hop Kenneth Attaway, 2006-10 Many times in my adult life, I have had what I would call an awake out-of-body experience. During these times, I was peeking in at my life in a dream state; thinking this cannot be my life. I found myself asking the questions of what happened to the child who outsmarted the world and what happened to the teen who had all the answers and confidence to boot, and the young adult who never settled for can't. Well, somewhere along the way, the only thing left of who I was once was, were just shreds of an almost non-existent life. Now, don't get me wrong, there were some good times along the way, but it certainly was not always smooth sailing. But what came later in life was no comparison to the early years. Not that long ago, my life was filled with disappointment, brokenness, worry, anxiety, and fear. I survived breakups and breakdowns, sadness and pain, grief and loss beyond description, all of which led to a one-way ticket to Depression Central. Getting off the road to depression was very difficult for me, but there is no job too hard for God. If you can relate to the paralyzing despair that I went through, then please know that I fellowship with you and understand the grip depression and anxiety can have on your life. However, I want you to know that your destination does not have to be a one-way ticket to the land of despair, instead, your journey can bring you to a place of joy and peace if you simply trust and believe in God.
